

Franklin Circuit Judge Phillip J. Shepherd

Fellow Rotarian, Franklin Circuit Judge Phillip J. Shepherd will share the news about the Franklin County Drug Court , an innovative program to deal with substance abuse offenders with structure, support, and a realistic alternative to incarceration that will help stop the revolving door of drug abuse and prison that has caused our state prison budget to explode in recent years. By teaching drug offenders to stay clean, maintain employment, and work through a recovery program, the Drug Court saves lives and taxpayers dollars, too.
