

## **Reverend Jackson Brewer**

Reverend Jackson Brewer, pastor of First United Methodist Church, will discuss the sacrifices of the signers of the Declaration of Independence in setting the course for freedom and separation from the powerful British Empire.

The title of his presentation is, "What Price Freedom." One copy of the Declaration of Independence was discovered in 1989 at a flea market and was sold in 2007 in an internet auction. You will be amazed how much it brought! Jack will discuss the personal sacrifices of about a dozen of the 56 signers, and will bring out some very interesting facts and insight into the spiritual dynamic of their patriotism.
