A self-motivated, ambitious, team-player, Representative Jeff Greer has had a successful first term.

Jeff’s background as a member of the Meade County School Board and the local Chamber of Commerce, as well as being an outstanding business leader, has prepared him for the role he now serves representing the 27th House District. In his personal life, Mr. Greer owns a successful insurance business which he proudly developed from the ground level. He employs a staff of six and has been in business for close to 20 years.

In 2008 Jeff Greer took the lead and sponsored HB 334, the Agent Modernization Bill, and HB 259, regarding the long-term care partnership, both important pieces of legislation which have been enacted into law. During the recent 2009 Regular Session, the House Leadership team demonstrated their trust in Jeff and appointed him as chair of the prestigious House Banking and Insurance Committee. He also serves on the Agriculture, Education, and Veterans and Military Affairs committees, the latter of which he is the Session Vice-Chair.

Jeff brings fresh ideas infused with intelligence and ambition to the Kentucky General Assembly.

Representative Greer is married and has two children. He and his family reside in Brandenburg, Kentucky.
