

Andy McDonald

Andy McDonald is the Director of the Kentucky Solar Partnership, a project of the non-profit organization Appalachia Science in the Public Interest, and co-author of "The Kentucky Solar Energy Guide," published in 2005. He has a Master's Degree in Sustainable Systems from Slippery Rock University of Pennsylvania (2003) and a BA in Philosophy from the University of Buffalo (1992). He is a co-founder of the Kentucky Solar Energy Society and the Frankfort Climate Action Network.

For 20 years Andy has been working to promote a socially-just, sustainable society and has worked on sustainable development projects in Kentucky, Pennsylvania, the Texas-Mexico border, and Peru. He lives with his wife and step-daughter on a farm in Franklin County where his wife operates an organic market garden.
