This Week's Speaker...

The speaker for the day was George Chapman, Managing Director of the Kentucky Integra Realty Resources office. The Kentucky office, based in Louisville, provides a full range of real estate services excluding sales. He stated that one of the leading indicators of coming out of the recession is the real estate market, because building a house involves the manufacture of so many different products. The housing market leads the way out and indicators are either leveling off or slightly ris-

ing. Although it is difficult to get a loan today, the savings rate is at an all time high of 5%. The sale of existing houses is now up 11% and existing houses is up 4% and price levels are now back up to where they were in the year 2000. The only negative is multi-family housing, which is still in a slump. Consumer confidence is leveling out and the composite indexes are improving.

"Reach One, Keep One"

from www.rotary.org

The RI Board of Directors adopted a new membership slogan, "Each Rotarian: Reach One, Keep One," at its June meeting.

The slogan emphasizes the need for Rotarians to focus on both recruitment and retention in their membership growth efforts.

"Membership development is each Rotarian's responsibility," said Paul Netzel, a member of RI's Membership Development and Retention Committee and a past RI director.

"'Reach One' reminds us that because Rotary membership is by invitation, it's essential that each Rotarian reaches out and invites someone to join," added Netzel, a member of the Rotary Club of Los Angeles.

"'Keep One' reminds us that it's not sufficient to simply sponsor someone into Rotary; we must also see that new members become active and involved Rotarians. We know this is an essential element in membership retention."

The new slogan complements the Board's long-term membership strategy, which was also adopted at the June meeting.
