This Week's Speaker...

The speaker for the day was District Governor Chuck Cichella, who made his annual visit to the Frankfort Rotary Club. He stated that there is a danger in a club becoming "root-bound" and that there are always challenges to be met by any Rotary club. He spoke of the four M's of Rotary, the first being membership. Clubs must grow beyond themselves and we want to know who is out there who would be a good Rotarian through the classification system. The questions we need to ask are: Why did you join Rotary? Would you join your Club today if invited? Is it a friendly club involved in many different projects? The next "M" is money. Rotary money is used for a variety of projects such as Ambassadorial Scholarships, simplified grants, District speech contests and Group Study Exchange. The next "M" is magnitude. He wants us to know the good things that are happening in other clubs of the District. His District Conference will be

at Holiday World with children and grandchildren invited. Finally the last "M" is miracles. The biggest miracle of all is you. Your commitment and willingness to lend a helping hand are essential ingredients of Rotary.

UNICEF Collection Report

The club collected a total of \$141.00 for the UNICEF program this year.

Greeter Larry Arnett welcomes Chris Harrison to Rotary.

**2010 Rotary District
Conference Information**

On May 21-23, 2010 we'll be hosting our District Annual Conference at Santa Claus, Indiana - the home of the Holiday World Amusement Park.

District Governor, Chuck Cicchella is needing your help at this time in order to put in place one of the key elements of our newly formatted agenda - He needs to identify, among those Rotarians who at this time are contemplating attending the conference and are bringing along with them family members, those spouses and children willing to play an active role while at the conference - our needs are as follows:

* 30 each - spouses and/or 12 years or older children willing to serve as Conference Sergeant at Arms

* 18 each - children 5 years of age or older who the parent feels will get up before a crowd and lead us in prayer, pledge to the Flag and the Four Way Test - we will do some rehearsing prior to their involvement.

* 4-6 each - spouses and/or teenagers willing to serve at the conference registration desk

* 35-45 each - spouses and children willing to package up the food canned goods in our "Service Above Self" project to supply a food pantry that serves the poor

* 4 each - spouses and/or children 12 years of age or older that can bring and play a piano keyboard with its own sound system - we would also be interested in other talented youth who could play another musical instrument or sing

* 12 each - spouses and/or children 12 years or older to help with the Sunday Memorial Service

Those interested in serving in any of the above mentioned areas should contact Don Dykman of our Conference Committee at 502-226-1948 or e-mail at dondykman@aol.com.
