**Wayne Perkey** spent his life in radio and television. For 30 years he was the wake-up voice for Kentuckiana on WHAS Radio and the creator of the prototype for Morning News and information radio shows. Wayne and The Morning Team consistently ranked as one of the top-rated morning shows in America, often as

high as number 5! And for 20 years Wayne was "Mr. Crusade," Emcee of the WHAS Crusade for Children, the annual telethon that has raised over \$100 million for children with handicaps. In 1970 Wayne created his favorite assignment of the year, moving the morning show to the backstretch at historic Churchill Downs for Derby Week and talking to people from all over the world who came to Louisville for the "Fastest 2 Minutes in Sports!" For 8 years Entrepreneur Perkey owned radio stations in Danville, Ky., which consistently captured recognition by the Kentucky Broadcasters Association as among the very best small market stations in Kentucky. Wayne has a website at wayneperkey.com.

**The Four-Way Test**

The test, which has been translated into more than 100 languages, asks the following questions:

- Of the things we think, say or do
1. Is it the TRUTH?
  2. Is it FAIR to all concerned?

  4. Will it be BENEFICIAL to all concerned?

**Chilean districts organize efforts to aid quake victims**

*By Ryan Hyland*

*Rotary International News*

Rotary districts in Chile are organizing efforts to aid tens of thousands of homeless people in areas devastated by a powerful earthquake and tsunami that struck the country's Pacific coast on 27 February.

Chile's government, along with other international aid organizations, has supplied food and water to desperate survivors as the death toll has risen to nearly 800. Many coastal towns were destroyed, first by the 8.8 magnitude quake, then by surging tsunami waves.

Luis Veliz Severino, governor of District 4320, has allocated an initial US\$9,500 to relief efforts.

Four clubs in the hardest-hit areas of Bío-Bío and Maule have set up donation drives for clothes, shoes, and blankets.

A ShelterBox response team is en route to Chile's capital, Santiago, to deliver

an initial shipment of 448 ShelterBox containers. The Rotary Club of Santiago will conduct an emergency meeting on 3 March with the ShelterBox team to decide where to distribute the containers.

"The full extent of the damage in Chile is yet to be seen, but there will undoubtedly be a need for emergency shelter," says John Leach, head of operations for ShelterBox. "Our response team will work closely with Rotarians in Santiago to make sure the aid reaches the people who need it most."

Six Rotary Foundation Ambassadorial Scholars who were in affected areas have reported in safe.

RI President John Kenny offered condolences via e-mail to governors of districts 4320, 4340, 4350, and 4360 in Chile. He asks Rotarians to learn the latest on Rotary's relief efforts and how they can help as it becomes available at [www.rotary.org](http://www.rotary.org).
