**Next Week's Speaker...**

Are Small Towns Sexy? Absolutely! Just ask Kim Huston, author of "Small Town Sexy: The Allure of Living in Small-town America." She will enjoy telling you about her love affair with the not-so-big-city lifestyle of her home town of Bardstown, Kentucky (pop. 11,000). Kim is president of the Nelson County Economic Development Agency and has recently gained national recognition with Small Town Sexy, which discusses the seductive charm and appeal that so many small towns possess, and enjoys convincing anyone who will listen that indeed you can do big business in a small town. Kim will talk about what makes so many of these communities "sexy," sharing her belief that that bigger is not always better, and that you can live large in a small town.
