**A Thought for Today...**

The [Harry] Potter books in general are a prolonged argument for tolerance, a prolonged plea for an end to bigotry, and I think it's one of the reasons that some people don't like the books, but I think that it's a very healthy message to pass on to younger people that you *should* question authority and you should *not* assume that the establishment or the press tells you all of the truth. -J.K. Rowling, novelist (b. 1965)
