THIS WEEK'S PROGRAM

This week's speaker was Barry Peale, TV Newsman who spoke about the positive and negative aspects of Campaign "91". On the positive side it proved that: 1.) The Republicans can hold a primary 2.) Creditable campaigns can be waged without raising more money than an opponent examples are Forgy and Baesler, 3.) Education Reform is intact . On the negative side: 1.) Succession was hurt because of Governor Wilkinson's fundraising tactics. 2.) Campaigns need limited public funding but we will need a major scandal for this to happen. 3.) It was harmful to the Republician party because it exposed Hopkin's political vulnerability. The real winner is Larry Forgy. The primary exposed the fact that people are turned off by the system. Ninety percent of registered Democrats didn't vote for Jones. Generally people don't feel affected by the political process except for Franklin County voters where people feel voting has a bearing on their livelilhood Voters feel pushed out by lobbyists PACS and special interest. Government today is for sale to the highest bidder.

WATERMELON SOCIAL

All members, family and guest are invited to East Frankfort Park on Thursday June 27 from 6 p.m. until 9 p.m.. There will be watermelon, drinks, private swimming pool party from 6:30 to 8:30, volleyball and etc..

Next week's program will be by our own fellow Rotarian Jim Radford, His talk will be on what Rotary means to me.
