**INTERNATIONAL SERVICE**

Alan Hamilton, Chairman of Kryie, introduced Jeff Hancock and his exchange student from Italy, Ricardo Scarobo. Jeff has previously traveled to Italy to visit in Ricardo's home. Ricardo presented a banner from a Rotary Club in his home town in Italy.

**THIS WEEK'S PROGRAM**

The speaker for the day was Agriculture Commissioner, ed Logsdon. Commissioner Logsdon stated that he has 350 Employees and 61% of his duties involve regulatory matter. The other 39% involves educating people, especially in urban areas, about agriculture. The Agriculture Department is involved in environmental issues and economic development. Middle schools have been visited by agriculture officials to tell students how agriculture affects them in their everyday lives. For example, the students discuss how a pizza is made up of various agricultural products. Grants are also made to FFA and 4-H programs. Scholarships are made available through the Governors Scholars Program. An Office of Environmental Advocacy has been started in the Agriculture Dept. As far as economic development is concerned, agriculture should be treated as another industry. 69% of farmers have off-farm income. However, 70% of Kentucky's food is imported. We need more value added and supporting industries in Kentucky. Farming is a \$3.2 Billion industry which should be \$5 Billion by the year 2000. Tobacco is 26% of total farm income. This needs to be lowered in case something happens to the tobacco market. Kentucky has the biggest beef industry east of the Mississippi. The Free Trade agreement should help most Kentucky farmers.

Kentucky has a advantage in its waterways which can be taken advantage of to get Kentucky products to market, for example, to Mexico. Finally, the Agriculture Dept. tries to help the morale of people involved in agriculture.

## THIS WEEK'S PROGRAM

Rotarians were treated to the wit and humor of Wilson Hatcher of WDRB-TV in Louisville. Mr. Hatcher has interviewed many celebrities and personalities and entertained us with stories and jokes that have been passed on to him through his interviews.

Mr. Hatcher preaches that humor is medicine and he certainly practices what he preaches!

Thanks to Lee Troutwine for this most entertaining program!

## THIS WEEK'S PROGRAM

District Governor William "Bill" Bellis and his lovely wife Andrea were the guests of the Frankfort Rotary Club for Wednesday, August 18, 1993.

DG Bellis and Andrea have been traveling around the state visiting various Rotary Clubs in District 6710. Their travels have produced many humorous stories that he shared with our club.

During his speech, DG Bellis expressed the need for all Rotary Clubs to increase their membership. Rotary is looking for quality, service oriented business and professional people to enhance and strengthen Rotary's current membership. This is Rotary's biggest challenge.

DG Bellis also reminded the membership to please plan to attend the District 6710 Conference, May 20-22, 1994, at the Galt House in Louisville, Kentucky.

In closing, DG Bellis reminded us to remember the Rotary International motto for 1993-1994:

Believe in What You Do and Do What You Believe!

## FRANKFORT ROTARY CLUB BOARD MEETING

There will be a Board meeting on August 23, 1993 at 5:00 p.m. at the Frankfort Electric and Water Plant Board Office.

## NEXT WEEK'S PROGRAM

Next week's speaker will be Louisville's Mayor Jerry Abrams.

**RAFFLE:** This week's raffle item was donated by Duane Ellis. It was a \$25 Gift Certificate from Yagel's Hardware. The winner was Carl Fudge.

## WELCOME TO ROTARY

We welcome the newest member of our club, Donald Armstrong. Donald was introduced by Henry Leadingham. His classification will be Military Affairs - Archives.

We look forward to sharing Rotary fellowship and service with Donald in the years to come.

## THIS WEEK'S PROGRAM

Our speaker was the Honorable Jerry Abramson, Mayor of Louisville. He is the new president of the U.S. Conference of Mayors. Jerry discussed some of the problems of the federal government, and asked that we show patience - and work to support the President as he tries to tackle the problems. To the future, Washington is not going to solve local problems. Paralysis in Federal government has led to Performance in Local government. The word of the Nineties - COMMUNITY. Jerry has formed a "Community" of seven Louisville counties, 5 in Kentucky, and 2 in Indiana - to improve education and to attract industry. (Better Indiana than Minnesota.) They now have 1 computer for ever 9 students. His message - "Lets Solve Problems Locally". He also stressed that most of our students do not go to college. Lets make sure that today's work force is prepared for tomorrow's jobs. In closing, let us work together as a state to solve our problems.

## THIRTY-ONE WORDS TO REMEMBER

The next time someone asks you "What is a Rotary Club?" try to remember this: "Rotary is an organization of business and professional persons united world-wide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

## NEXT WEEK'S PROGRAM

Next week's speaker will be Maurice "Mo" Hunt, Football coach at KSU.

**THE FOUR-WAY TEST**

Of things we think, say or do

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOOD WILL and BETTER FRIENDSHIP &
- 4) Will it be BENEFICIAL to all concerned?
