THIS WEEK'S SPEAKER

Our speaker was Dr. Robert Pringle, the CIA representative at the U of K School of Diplomacy. Having a Ph.D in Russian history, during his career he spent a lot of time in Russia, and told us of some of his interesting experiences living there. He also spent a number of years in South Africa. Being in Russia in 1989 when their economy went into free-fall, he was able to talk with a number of military officers about their reactions to the changing economy. Typical of Russia was the story of watching two workers, one digging holes, and one filling them up. Upon investigation, he discovered that the man who planted the trees in the holes was out sick that day. A major problem in privatizing their economy is that 25% of the work force is engaged in making products that no one wants, often with 19th century methods. Alcoholism is rampant, from the president down, and almost 100% of the population smokes. Truly, Russia faces challenges in the years ahead.

WELCOME TO ROTARY

We welcome the newest member of our club, Deon Allen. Deon was introduced by Barry Holder, Jr. His classification will be Financial Services.

MEMBERSHIP DEVELOPMENT

We are in the process of preparing a document which will bring together all those presently holding down classifications and those who have released theirs under the International Rules as they are transferred to "Past Service" and "Senior Active." There are two purposes to this (1) It will show a nice balance of community representation which is a unique quality of Rotary and (2) It points out the opportunity when classifications are vacated by the rules that others, then, can be recommended to replace those who have gone on in Rotary.

UPCOMING CHANNEL 10's "Frankfort's Global Connections"

To be aired at 7:00 P.M. on Tuesday evenings.

February 11, Frankfort's Sister Cities 1997 Delegation to "Macoris" Lee Troutwine, Jim Richardson, Patty Peavler, and Bill Miller.

THIS WEEK'S SPEAKER

Because February is both World Understanding Month and African-American History Month, two speakers shared their thoughts about these two observances. First, Dr. Ann Stewart Butler spoke about the Founders of African-American History, Dr. Carter Woodson. 1890 - 1920 was a dark period in American history with a lynching every 2 1/2 days. February was chosen as African-American History month since February was the birth month of Abraham Lincoln. President Carter in 1976 initiated a resolution on African-American month. Excavations of Fort Logan and Camp Nelson show evidence of African-Americans in Kentucky.

Gregory Babuskin spoke about the evolution of Democracy as it pertains to Russia. Examples are freedom of speech and assembly as it applies to all groups today thanks to Glasnost. There have been strides toward economic reform. Education is the key to preserving democracy. This is to build the society that people want. Freedom and Independence is what the 1991 Russian Revolution was all about.

WELCOME TO ROTARY

We welcome the newest member of our club, Dr. Jim Ridge. Jim was introduced by Richard Taylor. His classification will be Optometrist.

We look forward to sharing Rotary fellowship and service with Jim in the years to come.

THOUGHT FOR THE DAY

The only place where success comes before work is in the dictionary.

...Vidal Sassoon

MEMBERSHIP DEVELOPMENT

Do you know of anyone at the top of his or her profession who would qualify for any of the following Rotary classification?

GOVERNMENT, FEDERAL and of the following subtitles: Judicial, Postal Administration, U.

THE MOST GENEROUS

Did you know that Americans are the most generous givers in the world? Americans donate an average \$354 million per day to support the work of their favorite charities. That comes to more than \$126 billion a year! Most of that money is given to support religion (45%), health and human services (18%) and education (11%).

YOUTH WON'T WAIT

The U.S.A. poet Longfellow once wrote that, "Youth comes but once in a lifetime." Likewise, our opportunity to serve youth comes but once in a lifetime: today. No matter how much good we do in our community and the world, the efforts will be wasted unless we've prepared young people to assume the roles of leadership and service when their time comes. Youth does not wait. We cannot afford to wait, either.

TOTAL RAFFLE COLLECTION: \$42.00

NEXT WEEK'S SPEAKER

Next week's speaker will be Mary Beth Cordy, Economic Development Cabinet's and International Trade Director, "Kentucky Businesses Export Overseas: Create Jobs at Home"

BOARD MEETING

There will be a Board meeting on February 24, 1997 at the Frankfort Electric and Water Plant Board at 5:00 p.m.

THIS WEEK' SPEAKER

The speakers for the day were Dag Ryen and Susan Zelle with the Council on State Governments. Dag said that the aim of the Council is to promote excellence in government. There are 5 fundamental elements or keys to a successful government these are:

- 1.) implementation
- 2.) personalization of the political process
- 3.) sensitivity
- 4.) flexibility
- 5.) focus

Susan is a foreign service officer on a one year detail to the council. She said that we are more directly threatened by terrorism today. We are also threatened by drugs and environmental damage. Budget cuts in foreign aid reduce country's foreign involvement. We have less to spend on foreign aid and foreign affairs. In spite of this, the United States still has moral authority around the world.

NOTE! !

Russ and Katy Cave have contributed to the Frankfort Rotary Youth Fund in the memory of Lenard Willis, father of Charles "Chuck" Willis.

We have two overseas offices, one in Tokyo, Japan, and one in Brussels, Belgium. They are working with the Kentucky Department of Agriculture to open a joint trade office in Mexico. They also work with the Department of Commerce, with offices in Louisville and a remote office in Somerset. Fact: \$50,000 in exports equals one job -- including small firms, one of which just sold \$1,000 in fishing lures to Italy. (They are looking to expand their world trade market.) One of our speakers successes was a trade mission to India. Kentucky export trade growth has exceeded the national average. We are in the top ten states in growth of high-tech exports. We have been successful in attracting "already exporting" companies to Kentucky, and currently rank in the top ten states that businesses would do business in. The governor will be making a trip to Japan and Korea this spring.

NEXT WEEK'S SPEAKER

Next week's speakers will be Susan Lambert, Office of Geographical Information Systems and Ken Bates, Department of Natural Resources.
