THIS WEEK'S SPEAKER

The speaker for the day was Virginia Flannigan who is the director of the new Kentucky History Center. The Center will be 160,000 square feet when completed and is as large as a city block. There will be a formal history garden on the premises. There was a "dig" on the site in the summer of 1995 and numerous historical artifacts were found. Groundbreaking then followed and the speaker was Dr. Tom Clark. Finally, construction was commenced which includes the Barstow House which dates from the early eighteen hundreds. The facility will be environmentally correct. It is a \$30 million project. History is important to Kentuckians and we are the envy of many states in this area. The Center will include a genealogy library with over 80,000 documents. There will also be a living history program for children who can have a hands on experience. Parking will not be a problem when the project is completed.

NEXT WEEK'S SPEAKER

Next week's speaker will be Bob Gates. His topic will be the 1st Annual Festival of Kentucky Folklife.

NEW MEMBER ORIENTATION MEETING

There will be a Rotary luncheon/orientation session on Friday, August 22, at the Holiday Inn (Glass room) from 11:30 p.m. to 1:00 p.m. The purpose of this session is to supply you with some basics of Rotary and to give you the opportunity to ask questions and express preferences for your service to Rotary.

*Next Week's Program
Will Hear Word Wizard*

Jim Brockman takes on the post of program chairman the month of September. His first offering will be William Smith of Frankfort, who will speak about etymology, the study of words and their origins. Smith is a member of Capital City Rotary, at one time president of that club. For many who have attended Capital City meetings know that Smith is most entertaining.

Willis Hosts Lunch Session For Club's Recent Inductees

Chuck Willis, who serves as Rotary Information chair, hosted an orientation session last Friday for nine recently-accepted Rotarians.

THIS WEEK'S SPEAKER

Our speaker was Dr. Ed Ford, Deputy Secretary of the Executive Cabinet for Governor Patton. He was a State Senator for 17 years, resigned in 1994. Dr. Ford earned his D.V.M. at Auburn University. He is a supporter of post - secondary education (anything past the 12th grade), and has also worked hard to implement KERA. Stressing that we need to increase the level of education of our work force, he noted that we led our surrounding states 20 years ago, and now lag behind them by some 15 percentage points. He agrees with Governor Patton that our state needs a Top-20 research university, a nationally recognized metropolitan university, and a strong regional university system -- separated from the community college and technical schools -- so each system can work from their own strengths. He closed by reminding us that laws will not make a great education system, but the commitment of the people can.

Polly Jo Green Introduces Skip Merritt as New Member

Skip Merritt became Frankfort Rotary's 104th member Wednesday, with Polly Jo Green doing the honors and presenting Merritt his lapel pin as a Rotarian.

Skip was a lap ahead of the pace, having already attended the desired orientation, called Rotary Information, last Friday.

He is a loan officer with the Republic Bank with offices located on the East-West Connector near Franklin Square.

Rotary ID Card Experiment Will Include Your Option

The routine task of preparing and distributing the usual blue and white Rotary identification cards got a second look from the Board last Monday. President Don suggested that the routine practice of preparing the ID cards be cut out at next dues cycle.

Any member with a desire to have the ID card will tell Executive Secretary Paula Rarden. Paula will then continue to supply those Rotarians with cards as usual. The whole idea is to eliminate a time-consuming job that has little apparent importance.
