MEMBERSHIP FLYERS

If you are thinking of asking a friend to Rotary — please DO!! If you aren't sure what to say to describe our club's activities, our Sergeant-at-Arms, Tom Utterback, has some flyers at the registration desk. Please pick one up and give to your friend.

Although Rotary stresses attendance, the minimum requirements are quite reasonable, i.e., for each 6 month period, a member must attend at least 60% total, with 30% at the home club.

Tom Fugate (L) is thanked by February Program Chair for the fine program he presented this past week.

ATTENDANCE

Please note that the May 1998 Rotarian Magazine has the highlights of new legislation adopted at the 1998 RI Council on Legislation in New Delhi. The following items were adopted:

98-39: To allow for attendance credit for club service projects approved by the club's board

98-45: To amend the provisions relating to excused absences.

Effect: Clarifies that members on approved leaves and absences, and senior active members who are excused from attendance due to age and service, are not to be counted in the preparation of attendance reports.

**FROM THE
ABC'S OF ROTARY**

Most Rotarians are successful professional and business executives because they hear opportunities knock and take advantage of them. Once a week the opportunity for Rotary fellowship occurs at each club meeting, but not all members hear it knocking.

The weekly club meeting is a special privilege of Rotary membership. It provides the occasion to visit with fellow members, to meet visitors, and to share your personal friendship with others.

Rotary clubs which have a reputation of being "friendly clubs" usually follow a few simple tests:

First, members are encouraged to sit in a different seat or at a different table each week.

Second, Rotarians are urged to sit with a member they may not know as well as their long-time friends.

Third, members invite new members or visitors to join their table just by saying, "come join us".

Fourth, members share the conversation around the table rather than merely eating in silence or talking privately to the person next to them.

Fifth, Rotarians make a special point trying to become acquainted with ALL members of the club.

When Rotarians follow these five easy steps, an entirely new opportunity for fellowship is known each week. Soon, Rotarians realize that warm and personal friendships are the cornerstone of every great Rotary club.

Today's Stock Market Report:

Helium was up, feathers were down.
Paper was stationary.
Fluorescent tubing was dimmed in light trading.
Knives were up sharply.
Cows steered into a bull market.
Pencils lost a few points.
Hiking equipment was trailing.
Elevators rose, while escalators continued their slow decline.
Weights were up in heavy trading.
Light switches were off.
Mining equipment hit rock bottom.
Diapers remained unchanged.
Shipping lines stayed at an even keel.
The market for raisins dried up.
Coca-Cola fizzled.
Caterpillar stock inched up a bit.
Sun peaked at midday.
Balloon prices were inflated.
Scott Tissue touched a new bottom.
And batteries exploded in an attempt to recharge the market.

FRANKFORT ROTARY YOUTH FUND BOARD MEETING

The next meeting of the Youth Fund Board will be held at the Holiday Inn after the Rotary lunch on Wednesday February 24, 1999.

Clay Hulette (L) introduces new member **David N. Clinkenbeard**, who is with the Historical Preservation Office of the Finance & Administration Cabinet.

FRANKFORT ROTARY YOUTH FUND GOLF SCRAMBLE

It is time to start thinking and planning for the Annual Golf Scramble which is our major funding event for scholarship money. We need help (volunteers) to work on the planning committee, preparations and the day of the event. We need to work hard toward this and make it a big event!

Some suggested areas to consider: promotions and marketing, registration, prize donations, corporate sponsors, hole sponsors, food service, hospitality, director of golf, finance, signs, literature and mailing, record keeping, ceremonies, and publicity.

It was big and very successful last year thanks to the cooperation of many hard working and congenial Rotarians. We want it to be bigger, better and even more profitable this year. I know we can with your help. Be committed to our cause and respond!!!

If you are a willing participant, we need to know it! Please contact me if you are willing to help in any capacity, big or small. Tell me where you would like to work. We will be putting things together over the next month or so and really swing into action right after the NCAA Tournament. Contact me at office: 875-1301, home: 875-4794, fax: 875-1926, cell: 502-418-0227, e-mail: rbbrown@dcr.net or snail-mail: 4 Hudson Hollow Road - Frankfort Ky 40601.

Many, many thanks, "RB" Brown, Golf Scramble.

Jim Wolcott (L) is congratulated by **Barry Holder, Sr.** for his \$1,000.00 additional contribution to the Rotary Foundation.

A NOTE FROM THE EDITOR

I received a nice note from Hal Leatherby, who is our ambassador to the Rotary Club of Sun City Center, located in, where else, Sunny Florida, and enclosing a copy of their newsletter. I appreciate both the note and the newsletter, as it is nice to see what other clubs are doing. If you are making up somewhere and see a copy of their publication, please pick up a copy for me. Thanks.

Did You Know?

Appropriate protocol for saluting the flag during the national anthem indoors is to remove your hat and stand at attention with your arms by your side. Saluting with your hand on your heart is the protocol for outdoors.

— submitted by Bob Johnston, as copied from a recent basketball program at Wofford College, Spartanburg, NC:

FHS Interact member Bobby Unger made an announcement about a 5K run on Saturday.

ATTENDANCE

Membership in a Rotary Club entails responsibility for regular attendance. Rules for attendance, make up for absence from your own club and excuse for non-compliance due to age and years of service are defined and observed worldwide. The membership of any member, other than an honorary member, shall automatically terminate if, without consent of the Board for good and sufficient reason (see below), a Rotarian fails:

- To attend or make up 4 consecutive regular meetings, or To attend or make up at least 60% of the regular meetings in the first or second six months of the Rotary year, or To attend at least 30% of the regular meetings of the home club in the first or second six months of the Rotary year, or To be present for at least 60% of the time

devoted to the regular meetings.

Credit for make up attendance is granted by attending any Rotary Club meeting 13 days prior to the home club regularly scheduled meeting or within 13 days immediately following such meeting.

Example: Club meeting date is Thursday the 17th.

Make up: From Friday the 4th until Wednesday the 30th.

Committee or Board meetings, Round Table, STAR, indoctrination, past-presidents, or civic project meetings do not qualify as make up meetings.

Any Senior Active member who has reached the age 65 and with 20 or more years service or at age 70 with 15 or more years in one or more clubs may be excused from attendance requirements if applied for in writing and approved by the Board of Directors.

Attendance at District meetings (District Conference, PETS/Assembly) and International meetings (R I Convention, Regional Conference, or Officers' Institute) shall qualify a member for being present at his own club as do attendance at Rotaract, Interact or Village Corps meetings provided such meeting falls within the time frame as described by the Standard Club Constitution.

A member's absence shall be excused if caused by protracted ill health or by stay of more than two weeks in a country having no Rotary Clubs.

Authorized leaves of absence granted by the Club Board of Directors exempt the member from attendance requirements but the excused member is counted for club attendance purposes.

All attendance rules apply to all Active, Additional Active, Senior Active and Past Service members as provided above.
