R.I. WORLD HEADQUARTERS

The headquarters of Rotary International always has been in the area of Chicago, Illinois, U.S.A. First it was in Chicago itself, but in 1954 an attractive new building opened in suburban Evanston. The Ridge Avenue building met the needs of the Rotary Secretariat until the 1980s when the addition of new programs, the growth of The Rotary Foundation, and the new PolioPlus activities made the headquarters building extremely crowded and required some staff members to be housed in supplementary office space nearby.

When a modern 18-story office building became available in downtown Evanston in 1987, it appeared to meet all of Rotary's space and expansion needs for years to come. The glass and steel structure, built in 1977, provides 400,000 square feet of office and usable space. The building was purchased by Rotary International, which leases approximately two-thirds of the space to commercial tenants, until needed by future Rotary growth.

The building provides a 190-seat auditorium, large parking garage and 300-seat cafeteria, as well as functional office space for the 400 employees of the world headquarters. The executive suite on the 18th floor includes conference rooms for the R.I. board and committee meetings, in addition to the offices for the R.I. president, president-elect and general secretary.

One Rotary Center, as it is called, will enhance the efficient operations of Rotary International for many years to come.

Article VIII: Duties of Committees

Section 1. Club Service Committee. This committee shall devise and carry into effect plans which will guide and assist the members of this club in discharging their responsibilities in matters relating to club service. The chairman of the club service shall be responsible for regular meetings of the committee and shall report to the board on all club service activities.

(a) Attendance Committee. This committee shall devise means for encouraging attendance at all Rotary meetings — including attendance at district conferences, intercity meetings, regional conferences, and international conventions by all club members.

This committee shall especially encourage attendance at regular meetings of this club and attendance at meetings of other clubs when unable to attend meetings of this club; keep all members informed on attendance requirements; promote better incentives for good attendance; and seek to ascertain and remove the contributions that contribute to unsatisfactory attendance.

This committee shall as early as possible, but no later than 31 August of each year, make a classification survey of the community; shall compile from the survey a roster of filled and unfilled classifications, applying the classification principle; shall review, where necessary, existing classifications represented in the club; and shall counsel with the board on all classification problems.

(c) Club Bulletin Committee. This committee shall endeavor, through the publishing of a weekly club bulletin, to stimulate interest and improve attendance, announce the program of the forthcoming meeting, relate highlights of the previous meeting, promote fellowship, contribute to the Rotary education of all members, and report news of the club, of its members and of the worldwide Rotary programs.

AN INTERESTING THOUGHT

You've got a nice place here,
said the Spider to the Fly,
Is there much upkeep?
— from *High Kikus*, by James Broughton

How You Spend Your “Dash”

I read of a man who stood to speak
At the funeral of a friend.
He referred to the dates on the tombstone
From the beginning to the end.
He noted that first came the date of birth
And spoke the following with tears,
But he said what mattered most of all
Was the dash between those years. (1933-99)
For the dash represents all the time
That he spent alive on earth.
And now only those who loved him
Know what that little dash is worth.
For it matters not, how much we own;
The cars, the house, the cash.
What matters is how we live and love
And how we spent our dash.
So think about this long and hard.
Are there things you'd like to change?
For you never know how much time is left.
That can still be rearranged.
If we could just slow down enough
To consider what's true and real,
And always try to understand
The way other people feel.
And be less quick to anger,
And show appreciation more
And love the people in our lives
Like we've never loved before.
If we treat each other with respect,
And more often wear a smile.
Remembering that this special dash
Might only last a little while.
So, when your eulogy's being read
With your life's actions to rehash.
Would you be proud of the things they say
About how you spent your dash?

~ Spend it well. ~

In addition, 3 Rotary members have written checks for \$100.00 each, and the Capitol City Rotary has made a \$300.00 donation towards her expenses.

Annual Cincinnati Reds Road trip

Who's Who in the Frankfort Rotary Youth Fund Golf Scramble:

Promotions (players, hole sponsors & corporate sponsors): Phil Nichols
Food Service & Hospitality: Pete Walsh

Registration & Treasurer: Skip Merritt
Administration and Records: Alan Hamilton
Prizes, Tee Gifts and Awards: Ron Christopher

Last Resort: "RB" Brown (will be out of country July 5-16 and moving office July 23! Phil Nichols will be in charge.)

Two very important goals: 1) add \$15,000 to the fund corpus from proceeds of golf scramble event; 2) have the event "sold out" as far as players is concerned by July 9! We can (all) do it!

Golf Trivia for the uninvolved:

What is a "scramble"? Each player hits from the tee, the foursome selects the best ball and all four hit their next shot from that position, advancing the ball in like manner to the hole. The score is recorded as a team score.

What is a "shotgun start"? The competing teams are designated to start on a different hole around the course, teeing off at the same time. Each team then plays each succeeding hole in sequence until the entire eighteen holes is played.

MOTORCYCLE BOB

Motorcycle Bob is at it again. After his ride through 48 state capitals in 30 days last year when he visited us, he's now headed across Canada.

NEW OFFICERS TO BE INSTALLED JULY 7th

The incoming officers of the Rotary Club of Frankfort who will take office as of July 1 include Polly Jo Green who moves up from president elect to president of the 76-year-old civic organization. Mrs. Green becomes the first woman president in club history, having served in a variety of other positions on the board of directors.

The president-elect will be Bill Miller, whose weekly television interviews appear on

the local access channel, called "Frankfort's Global Connection." Miller is attending the meeting of Rotary International the latter part of June in Singapore.

Serving as directors are Terry Shockley as club service director; Tom Utterback as community service director; Don Dykman as vocational director; and Greg Fuchs as international director.

The new sergeant at arms is Peter Walsh and the club secretary-treasurer for the third straight year is Clay Hulette. Ed Dance steps down from the presidency to become advisory director. Don Armstrong and Dean Sorg share the position of public relations director. Paula Rarden also continues as executive secretary.

The new officers will be installed at the club meeting at the Holiday Inn at 11:45 a.m. on Wednesday, July 7. Speaker for the installation will be Dr. Allyson Hughes Handley, who is president of Midway College, and also a member of Rotary International.

Philosophies to Live by!

Many people will walk in and out of your life, but only true friends will leave footprints in your heart

To handle yourself, use your head; To handle others, use your heart.

Anger is only one letter short of danger.

Great minds discuss ideas; Average minds discuss events; Small minds discuss people.

God gives every bird its food, But He does not throw it into it's nest.

He who loses money, loses much; He who loses a friend, loses more; He who loses faith, loses all.

Beautiful young people are acts of nature, but beautiful old people are works of art.

Learn from the mistakes of others. You can't live long enough to make them all yourself.

The tongue weighs practically nothing, but so few people can hold it.

Keeneland trip coming up in October

Keeneland trip will be Friday, October 15th. Tickets are \$30.50 each from Denis King or Ethel McCray.

A Math Problem

Question: Three frogs sat on a log, until one frog decided to jump off. How many frogs were left?

Answer: Three.

Explanation: Although almost everyone answers two, the correct answer is three. Just because that frog decided to jump off does not necessarily mean that it actually did.

Is there a gap between what YOU decide to do, and what you ACTUALLY do?

**Action taken by the Rotary Club of
Frankfort Board of Directors June 21**

Attending: President Ed Dance, Tom Utterback, Laura Graham, Terry Shockley, Polly Green, Don Armstrong, Bill Leroy, Pete Walsh, Eric Brooks, Joe Johnson, Greg Fuchs, and Dean Sorg.

Place : Orlando Brown House.

Minutes of last meeting approved as read.

Financial report approved as submitted.

Board members discussed the reasons there are six (6) Rotarians currently under the 60% attendance requirement. Sponsors will be asked to call these Rotarians to see why their attendance is down. Ten (10) new members joined the club in 1998-99.

A summary of the issues identified and discussed during the Fireside Chats, was distributed, which were membership, membership retention, club functions, committee/subcommittee assignments and communications.

Reviewed survey results from the International Dinner (received 22 evaluations from those who attended and 4 from those who did not attend), that indicated that the Entertainment portion of the evening was too loud; food portions were too small; and the cost of the event was too much considering the quality of the food/program presented.

Mary King, Frankfort Rotary Club Ambassadorial Scholar, has immediate financial needs. The Capitol City Rotary Club donated \$300 to Mary. Approved donating \$500 for Mary's trip, and asking individual members to also donate.

The new Club Directory is still in process.

Approved the following nominees for the Frankfort Rotary Youth Fund Board: Ron Tyrer for a three year term (replaces Leroy Smith whose expires June 30, 1999) and R.B. Brown to serve an additional two-year term.

Approved leave of absence for Ron Tyrer, (June 16-July 28).

Accepted resignation of Kurt R. Vezner who will join the South Oldham County Rotary Club.

Received Certificate of Achievement from Head Start for our donation.

Acknowledged that Tom Utterback will be the Director of Community Service, and Don Dykman will be Director of Vocational Service.

New member proposals : John C. Norfleet

Classification-Property Assessment; and Harold (Hal) Taylor Classification-Funeral Director.

Eric Brooks presented a proposal for a new committee on Historic Preservation.

Next Board of Directors Meeting: July 19, 1999 at First Federal. Meeting adjourned 6:30pm
