Sister City Needs Help

A delegation from our Sister City in the Dominican Republic will be in town September 30 - October 5. Any Rotarian wishing to donate funds to help defer the expense of the 13 visitors from San Pedro de Marcoris can make contributions to Joe Johnson, Bill Miller, Lee Troutwine, or Jim Richardson.

Congratulations

Congratulations go out to Bill Miller who retired August 31st after years of faithful service to the Legislative Research Commission.

Happy Birthday!

...to the following Rotarians who will celebrate their birthdays in September:

Duane Ellis	Joe Russell Johnson
James Kemper	Paula Rarden
Richard Taylor	

Rotary Profile

Lisa Fugitt was born and raised in Ashland, Kentucky where she graduated from Paul G. Blazer High School. She played the clarinet in school, but gave it up for higher pursuits.

Lisa loves animals, reading, gardening and swimming. She is too busy pushing cell phones for GTE to allow much time for these activities. She is really fun to talk with, if you can catch her on the go!

Lisa is a volunteer with the "Race for the Cure," member of the Frankfort Chamber of Commerce. She is a 21-year veteran with GTE. She has been a Rotarian since October, 1997.

Turkey Relief

The Frankfort and Capital City Rotary Clubs plan to support the District 6710 Turkey Relief Project within our clubs and the community for the month of September. The District goal is to raise \$100,000. The FRC Publicity Committee will spread the word within Franklin County. First Federal Savings Bank, east/west/downtown, will be collection points in the community. Barry Holder Jr., is the FRC Chairman for this project. Rotarians may give checks to Barry Jr., Paula, or President Polly Jo at weekly meetings during September. Checks are to be made to The Rotary Foundation (designate FOR Turkey Relief). Rotarians may receive Paul Harris Fellow credit. Cash will be accepted.

Frankfort Arts Foundation

Tickets for the 1999-2000 season of the Frankfort Arts Foundation will go on sale soon. See Joe Johnson for tickets.

NOTE:

All members, including late-arriving members, and guests are encouraged to sit at the tables during weekly meetings. This is so that everyone has the opportunity to visit with other Rotarians and guests. Members arriving earlier are encouraged to fill up the tables to the right side of the room (opposite the buffet table). The table to the back and the table in the front nearest the buffet table will be reserved for later-arriving members and guests. When you enter or leave, please don't mind having to cross over the Channel 10 camera. It is more important for you to sit and share with your fellow Rotarians.

New Member Proposal Process

When one proposes a new member, one is required to complete, on either a white or green card, the sections that are designated by a Rotary wheel at the top. That card is given to Paula either at the meeting or at her office at the Plant Board. She checks cards for complete information and forwards completed cards to Jim Richardson's committee. Jim checks classification with Tom Cockley. When the Membership Classification Committee completes their process, the proposal card comes before the Board for approval. After Board approval, the sponsor should meet with the person proposed (alone or with another Rotarian) to go over the responsibilities of membership (financial and otherwise) and attain the signature of the potential member on the back side of the proposal card. The information of membership proposal is published in the bulletin for members' attention. Two weeks after this publication and with no objections, this newly proposed member can be inducted into membership of the Rotary Club of Frankfort. Any concerns or questions concerning membership, please contact President-Elect Bill Miller.

An Appeal:

It amuses me to think that you spend so much time looking for new members for the Frankfort Rotary Club, but I was there all the time, not so long ago. You say you don't remember me?

I was the new member who came to every meeting, but after that day I received my Rotary pin, nobody paid any more attention to me. I tried to be friendly at each meeting, but everyone seemed to have their own friends to talk to and to sit with. I noticed some of you always sit at the same tables, and there's no room left for anyone new to join the table.

Several times I sat down among some unfamiliar Rotary faces, but still no Rotarian spoke or acknowledged my presence. You just got up and left as soon as the speaker was finished, without a friendly word.

I hoped that I would be asked to serve on a committee or participate in some project. I was never asked! Finally, because of an illness, when I missed a meeting no one contacted me to find out why, except that you ran my name in that list published in the newsletter for those with absences. But it really didn't seem to matter if I was there or not, for all I could tell.

Who am I? I am the person who used to belong to Frankfort Rotary, but never came back. Was I missed? I will never know, will I? I hope you think about this very seriously, because I really wanted to be welcome as a member of your club. Will you treat the next new Rotarian the same way?

This message is sent from the chair of the Frankfort Rotary Retention Committee, who wants to know if you are interested in keeping the new members that already belong to our Club.

Past President Don Armstrong, Chair of the Frankfort Rotary Retention Committee

Rotary Profile

Mike Lyle joined us just a few weeks ago, but he's no stranger to a lot of us, having been a member here for a number of years previously. He is a graduate of Franklin County High School and judging from his size he must have been

involved in sports. Currently he's a golfer, water & snow skier, fisherman, hunter and all-around outdoorsman.

Mike says he received most of his learning from "The School of Hard Knocks." His most notable accomplishment in life is having and raising three daughters, Sara, Chris and Carly.

My Contribution to Rotary

I know that the success of my Rotary Club is my personal obligation, not just something I can leave to a committee; I am my Rotary. I cannot neglect it without missing the benefits that cause it to grow in size and usefulness all over the world. I need to do this for my own good. I owe it to my fellow Rotarians, for their good and for the good of Rotary.

President Polly Jo took this from the August District 6710 Newsletter. It was published in the Aug. 13th edition of the Rotary Club of Louisville bulletin.

Rotary Profile

Our subject today is Herman T. "Hub" Perdew. Everybody knows Hub. If you don't know him, it's your loss. Hub had his 95th birthday last week. He is an Honorary member of our club. He first joined Rotary in 1948. Now for the rest of the story.

Hub was born and raised in Paducah, graduating from Paducah Tilghman High School, class of 1924. He is the last surviving member of the State Championship football team of '23. He was a tackle for three years, the average weight of the team being about 160 pounds. In all the games of 1923, not a single team crossed their goal line. Hub says Saint X got three points by kicking a field goal. When he wasn't playing football he participated in track & field, and found time to play the trumpet in the school orchestra and band. While at UK for one year, he played freshman football.

Hub was too young for WWI and too old for WWII, but he prepared a lot of men during WWII in the art of handling a rifle.

Hub served for 12 years as Chief Clerk-Office of Kentucky Secretary of State, and ran for Secretary of State in 1947.

Hub was a securities salesman for a lot of years and actually worked under Kurt Vezner for a short time.

As a final word: don't try to match wits with him!
