“The Rotary International Foundation”

On Wednesday, Feb. 9, Barry Holder and Len Shirrell will provide an informative overview of the lifeline of the RI’s international and domestic programs, The RI Foundation.

Barry, who has 26 years of perfect attendance, served as the Frankfort Club’s president from 1980-81, and later achieved the position of district governor in 1987. Barry, recently retired from the Kentucky Labor Cabinet, has served on numerous RI presidential task forces and committees.

Len, who has 46 years of perfect attendance, was the Frankfort Rotary Club’s pres-

ident in 1969-70, and in 1990 he served as the district governor for District 6710. Len, a retired veterinarian, is currently chairman of the District 6710 Annual Giving Committee. Both Len and Barry are Paul Harris Fellows and have received national recognition for their major contributions to the Rotary Foundation.

Rotary Profile

Lee Troutwine was born and raised in Franklin County. He says, “I was born in the old Kings Daughters Hospital and lived to tell about it.”

Lee graduated from Elkhorn High School where he played in the band. At one time he was an accomplished trombone player. He went on to UK where he was a member of the “Marching 100”, an all male band, under the direction of the great Warren Lutz. They always entered the field, on game day, playing “Dixie.” He also studied at George

Washington University and Kentucky State University.

Lee served four years in the US Navy. He served aboard the destroyer *USS Fred B. Royal* during the Cuban blockade.

Lee has been involved in many civic organizations, including president of Downtown Frankfort, Inc., Sister Cities Association, president of Frankfort Rotary Club and president of Elkhorn Landowners Association, just to name a few. He served in the cabinet of Governor Wilkinson as commissioner of Local Government, and was appointed to the Federal Lower Mississippi Delta Development Commission.

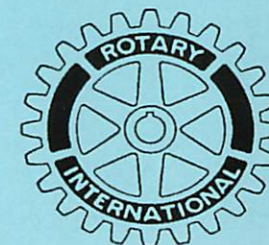

Lee has been a member of our club since September 1980. He is a farmer by classification; a politician by nature.

Feb. 9 Club Meeting

We will not be meeting at the Holiday Inn on February 9th. At this time the club is unsure where we will be meeting. Rotarians need to watch their e-mail for the meeting place. The telephone committee will be calling the ones without e-mail. If you haven’t been contacted by February 8th please, check the radio stations, Cable 10 or contact a fellow Rotarian.

“KSU International Students Day at Rotary”

Rotarian Jim Graves has coordinated a program with several international students from KSU to visit with Rotarians. The following two students will speak on “Background of Their Countries and Impressions of the World Today.”

Mr. Mustopha Jammel from Banjul, Gambia is a freshman. He graduated from St Augustine High School in Gambia. He is majoring in political science with a minor in English. Interestingly, Mustopha was airborne, returning from his home to Kentucky on December 31 when the Y2K problem was to occur. Fortunately, he arrived safely.

Miss Marisol Valles is from Los Mochis, Mexico. She is majoring in Business Administration, with a specialization in marketing. She

plans to graduate in May of this year. Marisol was a Rotary Exchange Student in Larned, Kansas from 1995-96.

Dr. Joanne Bankston, State Extension Specialist for Family Economics and Management at KSU's Cooperative Extension Program, will provide an update on “African-American History Month”. Formerly, Dr. Bankston was Director of KSU's National Center for Diversity.

Kings Daughters Apartments

King's Daughters Apartments have expressed an occasional need for transportation for their senior residents to physician's offices particularly in Lexington. Ron Tyrer (695-1306) is collecting the names of Rotarians who could help with this.

New Member Proposed

The board approved new member Cheryl L. Harrod contingent upon no negative response after publication.

Rotary Profile

George Seay, Jr. is one of our new members. He was born in Tullahoma, Tennessee and raised in Hopkinsville, Kentucky where he attended Hopkinsville High School.

While at Hopkinsville High he was active in student affairs as well as managing to play football, join the wrestling team and do track & field. He also (how he did it, is a wonder) managed to play in the band and sing in a

church choir.

George was graduated from Hanover College, B.A., and took his law degree at the University of Louisville. While at Hanover he played football and was a class officer in addition to being a fraternity officer.

George has been active in civic affairs in Frankfort and is past president of the Franklin County Bar Association. He has also done some musical theatre and is past president of the Bluegrass Theatre Guild.

George is with the law firm of Wyatt Tarrant & Combs.

Thanks from the President

Thanks to all of my fellow-Rotarians for your prayers and support during this family emergency time and for carrying on our club's business so my mind is free to help my family.

Rotary Club Board Meeting

The monthly Rotary Club board meeting will be Monday, February 19, 2000 at 5:00 p.m. at the First Federal Savings and Loan on Main St.

**Meeting Arrangements at
KSU Were the Best!**

Members send collective thanks to Rotarian George Reid, KSU President, and his fine staff

for making arrangements for our meeting location Wednesday, February 9, in the ballroom of the Student Center, Kentucky State University.

In Remembrance

Our thoughts and prayers are with our club president Polly Jo Green and her family in the loss of her mother.

"Friends are angels who lift us to our feet when our wings have trouble remembering how to fly." —anonymous.

**Don't Be Discouraged if Your
Children Don't Follow Your Orders**

After telling his new children on Earth what constitutes a No-No, and they didn't pay attention, God's punishment was that Adam and Eve should have children of their own, Thus the pattern was set and it has never changed.

But there is reassurance in this story. If you have persistently and lovingly tried to give them wisdom and they haven't taken it, don't be hard on yourself. If God had trouble handling children, what makes you think it would be a piece of cake for you?

Advice for the day: If you have a lot of tension and you get a headache, do what it says on the aspirin bottle. Take two and keep away from the children.

Words of wisdom from children...

Never trust a dog to watch your food. - Patrick, age 10

When your dad is mad and he asks you, "Do I look stupid?" , don't answer him. -- Michael, 14

Never tell your mom her diet's not working. - Michael, 14

Stay away from prunes. -- Randy, 9

Never allow your three-year old brother in the same room as your school assignment. -- Traci, 14

Puppies still have bad breath even after eating a tic tac. -- Andrew, 9

Never try to baptize a cat. -- Eileen, 8

Never hold a dust buster and a cat at the same time. -- Kyoyo, 9

You can't hide a piece of broccoli in a glass of milk. -- Armir, 9

If you want a kitten, start out by asking for a horse. --Naomi, 15

Felt markers are not good to use as lipstick. -- Lauren, 9

Don't pick on your sister when she's holding a baseball bat. -- Joel, 10

Never take a 4-year-old to your acupuncture appointment. -- Mame (no age listed)

Things That Make You Go 'Hmm...'

Is it good if a vacuum really sucks?

Why is the third hand on the watch called the second hand?

If a word is misspelled in the dictionary, how would we ever know?

If Webster wrote the first dictionary, where did he find the words?

Why do we say something is out of whack? What is a whack?

Why does "slow down" and "slow up" mean the same thing?

Why does "fat chance" and "slim chance" mean the same thing?

Why do 'tug' boats push their barges?

Why do we sing "Take me out to the ball game" when we are already there?

Why are they called "stands" when they are made for sitting?

Why is it call "after dark" when it really is "after light" ?

Doesn't 'expecting the unexpected' make the unexpected expected?

Why are a 'wise man' and a 'wise guy' opposites?

Why do 'overlook and 'oversee' mean opposite things?

Why is phonics not spelled the way it sounds?

If work is so terrific, why do they have to pay you to do it?

If all the world is a stage, where is the audience sitting?

Congratulations

Joe Russell Johnson and Cheryl Viel (Past President, Capital City) are engaged to be married. Congratulations, Joe R and Cheryl!

THANKS

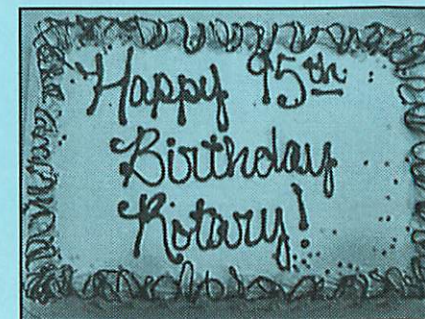

Sincere thanks for the flowers, cards, emails, thoughts and prayers during the loss of my mother. Thanks to President-Elect Bill and Past President Ed, Paula, and Don for presiding at meetings and keeping information flowing so that my mind was free to deal with what had to be done for family. It is at times like this when friends' support help to carry one through.

Thoughts and Prayers

Ethel McCray fell and broke a hip on her way into the meeting today. She is at the Frankfort Medical Center in room 419. Remember her in prayers and with cards.

Kings Daughters Apartments

King's Daughters Apartments have expressed an occasional need for transportation for their senior residents to physician's offices particularly in Lexington. Ron Tyrer (695-1306) is collecting the names of Rotarians who could help with this.
