**Cynthia Lawson**, Assistant Principal at Second Street School will discuss several academic partnership initiatives that SSS has recently implemented at the May 10th Rotary meeting. Cynthia was born and raised in Grayson, Kentucky. She graduated from Eastern Kentucky University with a BS in Education and from the University of Louisville with a M.E.D. in Math. Her post graduate work was completed at Eastern Kentucky University.

Two of Cynthia's loves are math and teaching. She has taught math at the middle school level for over 15 years at several central Kentucky schools including Elkhorn Middle and Bondurant Middle. Her passion for teaching was nationally recognized in 1994 when she was Kentucky's only recipient of the Presidential Award for Excellence in Mathematics Teaching at a White House Ceremony.

While with the Kentucky Department of Education, Cynthia developed the Math Portfolio guidelines as part of the KERA. Hired in 1998 as Second Street School's Assistant Principal, Cynthia has implemented several new academic

programs at the middle school level.

Four of Cynthia's other loves include her husband Gil, and 7th grade daughter Sarah, 4th grade son Zach, and preschooler Eric. She spends her free time at soccer games, basketball courts, academic team competitions, band concerts, baseball games, and school dances.

Ten Frankfort Rotarians will attend the District 6710 Conference in Owensboro May 12-13: Ron Christopher, Greg Fuchs, Polly Jo Green, Barry Holder, Barry Holder, Jr., Ruth Leathers, Bill Miller, Len Shirrell, Terry Shockley and Pete Walsh. Miller and both Holders are part of the agenda. Board members Fuchs, Green, Miller, Shockley and Walsh are the voting delegation representing our club in the selection of the District's delegate to the RI Council-On-Legislation in Chicago, April 2001. Bob Green, Helen Holder, and Joyce Shirrell will be attending with their spouses.

### Things Program Chairs Must Do for Each Speaker

PLEASE NOTE: Here are some steps which will assist us in ensuring the maximum benefit from each of Rotary program, including advance publicity and program coordination.

1. Start working on speakers as far ahead as necessary. Not later than two weeks ahead of your program month the President needs the speaker's name, job title and program topic. The PR Committee needs (a) program topic, (b) a copy of their "one-page" bio sketch and (c) head and shoulders photograph. A multi-page vita has to be boiled down to be of use to you or to us, as well as for publicity purposes! Obviously, if you have to change or cancel a speaker, be sure that the President and PR Committee get the corrected information in a timely manner.

2. Provide an advance list of speakers for the month to Jim Graves, our general program chair, so he knows ahead of time who you are trying to schedule to prevent your scheduling the same speaker as another Rotarian. If your program order or speakers change, tell Jim as well. If you get "stuck" in getting a program, Jim can sometimes make suggestions. He and others are always willing to help you.

3. Provide bios and photos in advance of your Rotary program month, but NOT LATER than two weeks ahead of each scheduled program. Provide these bios and photos to Don Armstrong and/or Dean Sorg, together with your speaker's program subject or topic. If you are having problems getting the bios and photos, let Armstrong or Sorg know so arrangements

### Pictures Update

Members who want their pictures retaken for the new directory are to contact President Polly Jo (223-3548 or bobpollyg@aol.com) or Len Shirrell (695-8788 or LSShirrell@aol.com). A State-Journal photographer will retake pictures in May. Another option: Write "Retake" under your picture in one of the Corrections Directories at the sign-in table.

### Past District Gov. Ewing Dies

It is with regret that we report our beloved Rotary past district governor, John H. Ewing of Greensburg, died Tuesday, May 9, 2000 at his home in Green County.

can be made to avoid last-minute rushes.

4. The very best way to provide your speaker bio is to send it by e-mail either to Armstrong or Sorg. We can handle biographies submitted on paper, but the paper format will have to be retyped for use in the Frankfortarian or to be sent to the news media. Forwarding the bio via e-mail promotes attendance and gives Armstrong or Sorg a chance to get publicity in local media ahead of our meeting dates.

5. If your speaker offers to provide an electronic graphic (instead of a conventional photo) please try to get the graphic image sent via e-mail, preferably to Steve Fry by e-mail at his State Journal address, saving a lot of time for everybody involved. Tell Paula Rarden, plus Don and/or Dean you are using the e-mail to send the graphic so they will know not to duplicate your effort.

6. Channel 10 Cable TV will automatically be provided advance information from the PR Committee so the cable system can also list and promote Rotary's programs. Armstrong or Sorg take care of Channel 10. This helps us as well!

7. Questions? Need help? Call Don Armstrong at 227-4297 or Dean Sorg at 227-4521. E-mail Don at DandyMame@aol.com or e-mail Dean at DeanSorg@aol.com. Steve Fry can be reached at Rotary@State-Journal.com (7am-3pm) or at SFry1978@aol.com after that. Jim Graves' e-mail address is jgraves@gwmail.kysu.edu. President Polly Jo is BobPollyG@aol.com Thanks.

Jim has an extensive and impressive vita, but here are a few "fun facts":

Family: Two brothers, William and, my evil twin, Jerome

Wife: Married 16 years to Wanda Sue Wainscott, Owen County

Kids: Two daughters, Katarina (age 6) and Jamie (age 14)

**RI and Frankfort Rotary Club honored for polio work**

The House of Representatives and the Senate of the state of Kentucky recently adopted citations honoring Rotary International and the Rotary Club of Frankfort, Kentucky, USA, for the work the organization is doing to combat polio.

The February 25 event was the second time that the two chambers of the state's legislature have praised Rotary International and its partners for leading the global efforts to eradicate polio. In 1998, the House and Senate adopted similar citations to recognize PolioPlus, one of the most ambitious humanitarian undertakings ever made by a private entity in the history of private-public collaborations in the fight against disease.

"[This] extraordinary organization is afforded the deepest gratitude for their immense and valuable work to develop and support the PolioPlus Program," said the citation signed by Jody Richards, Speaker of the House, and state Representative Gippy Graham, sponsor of the motion calling for the citation. "The success of this program is demonstrated through the prevention of over 500,000 cases of polio each year."

The Senate's version of the citation bore the signature of Senate President David L.

Williams and Senator Marshall Long, who sponsored the citation motion in the upper chamber. Rotarians who were invited to appear before both houses included Len Shirrell and Barry K. Holder, past governors of District 6710, and Polly Jo Green, president of the Rotary Club of Frankfort.

"Those of us who attended the sessions were deeply moved by this recognition of Rotary by our legislature," said Green. "The citation is an honor that belongs to all Rotarians, not just our club." She said that, regardless of where it happens, recognition of the work that Rotary does should inspire Rotarians everywhere to get more involved in service in their communities and the world so that they are not members of the organization in name only.

According to Donald L. Armstrong, chairman of the club's public relations committee, the citation raised the profile of Rotary and the PolioPlus program in Kentucky. Not only are the state's lawmakers now aware of what the organization does, he said, but their constituents, who watched the event live courtesy of Kentucky Educational Television now know what Rotarians in their communities are accomplishing globally.

### BTG Previews "Peter Pan"

Several members of the Bluegrass Theater Guild will present a preview of their upcoming musical, "Peter Pan," at the next Rotary meeting on May 31st. "Peter Pan" is one of the all-time favorite children's stories. We have all been amazed at the little boy who never wanted to grow up, and who had a special friend named Tinker Bell. Then of course there is Captain Hook and the pirates, not to mention Wendy, John, Michael and the Lost Boys.

The Bluegrass Theater Guild has taken on the challenge of this production with its large cast, wonderful music and the main special effect, making Peter and the others fly across the stage at Bradford Hall. Plans have been made for the mechanism to make them fly – and yes, they will indeed fly!

The cast includes 37 members of the Frankfort, Lexington and Lawrenceburg communities. Karyn Czar is playing Peter Pan, Wayne Cusick plays Captain Hook, Amie Dunn plays Tiger Lily, and Sara Hamrick plays Wendy. There are the remaining members of the Darling Family, six Lost Boys, six pirates, five animals and of course, Tinker Bell.

The production is under the direction of Sally Jump, with musical direction by Hollis Rosenstein. Producers are Ranelle Mackey and Donna Jones.

Stage Manager is Cindy Elrod.

This will be an exciting production! Come fly with the Bluegrass Theater Guild off to Never-Never Land!

*Next Week in Rotary...*

On June 7, noted commentator **Byron Crawford** will be the first of Rotarian Sherrill Smith's interesting June programs.

Byron Crawford's stories have appeared in such papers as the *New York Times*, *USA Today*, the *Los Angeles Times* and the *London Sunday Telegraph*. But they are most at home on the Kentucky pages of the *Louisville Courier-Journal* and the *Cincinnati Enquirer*.

His popular television and newspaper features about Kentucky's people, places and folkways have become an everyday part of Kentucky like for many people over the years.

Byron spent his early career in radio at WCKY in Cincinnati and WHAS in Louisville before moving to WHAS-TV in 1974. There he hosted the syndicated feature series, "Sideroads," which aired on several other stations across the South and Midwest.

He became the *Courier-Journal's* Kentucky Columnist in 1979 and has carried on the tradition of the late Joe Creason and Allan Trout who wrote the column before him.

Byron is the former host of KET's Emmy-award

winning *Kentucky Life* series and is the author of two books of Kentucky stories.

Publisher Barry Bingham Jr. declared his writing, "addictive," and the late Charles Kuralt proclaimed him, "The best storyteller in Kentucky, if you count only the ones who tell the truth." But Byron says he wishes Kuralt had left out that part about the truth.
