Next Week's Program....

John E. Hornback will speak to the Frankfort Rotary Club on Wednesday, Aug. 8, when he will be introduced by Sallie Clay Lanham, program chair for the month of August.

Hornback is director of the Division for Air Quality, in the Cabinet for Natural Resources and Environmental Protection.

He has held the post since 1992. Prior to moving to Air Quality his previous experience with Environmental Protection included service in the Division of Water 1977-92.

He was an inspector in the Florence Regional Office and also a supervisor. He managed field operations, served on the emergency response team, worked in enforcement, and certified water and wastewater operators.

He has strong interests in soccer in which he is a certified soccer referee. He also has two sons that play soccer. Another hobby includes photographing covered bridges — he has made portraits of more than 125 covered bridges around the country. He is treasurer of his church. Hornback was graduated from Eastern Kentucky University in 1976.

This Week's Program:

Club Assembly/Rotary Information

Speakers included: Dave Weller, PDG Len Shirrell, PDG Barry K. Holder, Pete Walsh, Ron Christopher, Tom Fugate, Christine Richards, Bobbye Brown, and Don Dykman. Dave Weller talked about new member recruitment, orientation, make-ups, and attendance. He noted that members must attend 60% of the time; however, 30% of this could be visiting other Rotary Clubs. He also noted that members have two weeks before and two weeks after the scheduled meeting to make-up. PDG Len Shirrell shared some of the changes made by RI's Council on Legislation 2000. Members can now transfer from one Rotary Club to another. Also, a club can now have five members with the same classification. SEE A SUMMARY OF CHANGES ON PAGE 42 OF THE AUGUST EDITION OF THE ROTARIAN. PDG Barry K. Holder discussed the importance of supporting the Rotary Foundation which pays for programs

around the world, such as Polio-plus, disaster relief, humanitarian programs, group study exchange (GSE), and the Ambassadorial Scholarship program. Treasurer Pete Walsh distributed the end-of-fiscal-year financial statement and the draft budget for the new year, and discussed sources of revenues and expenditures. President-elect Ron Christopher discussed the membership goal of two new members per month, with a net gain of ten new members for the year. The Directors of each of the Avenues of Service shared some of their goals and projects for the current year and asked for suggestions for other projects. A feedback form was provided for the recording of comments, suggestion, and questions from the membership.

Congratulations

President Terry Shockley presents the Rotarian of the Month honor for July to Ed Dance.

VOL. NO. XXVI ISSUE NO. 32

August 8, 2001

Next Week's Program...

Rotarian John Sower, a former Frankfort mayor, will speak to the Rotary Club of Frankfort Wednesday noon, Aug. 15, at the Holiday Inn. Sower is the president of Citizens for Open Government (COG), a newly-formed organization which focuses on open meetings, open records and full disclosure.

COG encourages civic involvement in the democratic process. Sower will be introduced by the August Rotary Club program chair, Sallie Clay Lanham.

John Sower is a 31-year member of the Frankfort Rotary Club and a Frankfort businessman, who grew up a few blocks away from the location of his Frankfort business. He is the owner and manager of Sower Office Supplies, located across from the Franklin County Courthouse. He has lived most of his life in Frankfort, prior to acquiring a farm in Shelby County a few years ago.

John was elected mayor of Frankfort in 1979. Prior to his election as mayor, he was elected and served as city commissioner. During his administration, he was instrumental in obtaining funds for the restoration of the Southern Hotel, in the

issuance of \$25 million in industrial revenue bonds for business expansion and building restoration, in the purchase and restoration of the Gooch House for tourism, in the substantial rehabilitation of city housing projects, and in moving Congress toward making an allocation for the floodwall now protecting South Frankfort.

In addition to COG, Rotary and public office, Sower's record of public service includes various offices with the Frankfort Jaycees, Bureau of Volunteer Services, Chamber of Commerce, Emergency Food Pantry, YMCA, Capital Area Right to Life, Boy Scouts, and Church of the Annunciation (Shelbyville).

John and his wife, Phyllis, who is a Frankfort attorney, have three sons: Johnny (age 20), Tom (age 14) and Will (age 11).

This Week's Program:

John E. Hornback

This week's guest speaker was John. E. Hornback, introduced by August program chair Sallie Clay Lanham. John is the Director of the Division of Air Quality, in the Cabinet for Natural Resources and Public Protection.

John spoke today on the structure and mission of the Division of Air Quality. The primary responsibility of the division is enforcing state and federal standards in the Commonwealth, with the goal of protecting public health and welfare. To achieve this goal, the division operates a multi-faceted program with staff performing separate interrelated tasks. The Division of Air Quality is organized as follows: The Director's Office, Enforcement Branch, Field Operations Branch, Permit Review Branch, Special Programs Branch, Technical Services Branch, and the Planning/Administration Branch.

With many regulatory requirements, John stated that their main concern is to handle complaints, enforcement of regulations, control open burning, permitting, and education of the public. The Division of Air Quality states that to keep the environment safe we must remember the three 'don'ts': Don't dump illegally; don't burn illegally; and don't discharge waste illegally. We want to thank John for a very informative presentation.

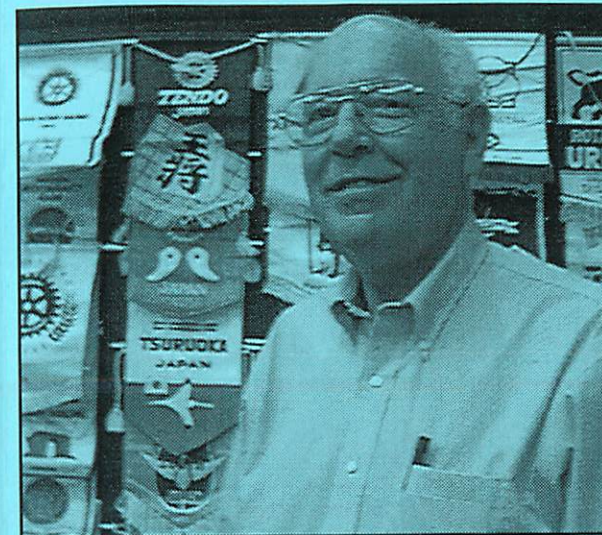

Board Action Taken

The board approved Richard Watkins and David Whitcomb as new members, contingent upon no negative response after publication in the newsletter.

Holder Selected

PDG **Barry Holder** has been selected by the club to seek the nomination for Director of Rotary International from Zone 30 for the years 2003 to 2005,

Next Week's Program...

The program for Frankfort Rotary on Wednesday, Aug. 22, will consist of a panel of officials and experts who are involved with making decisions about conservation through recycling. Introducing the program will be Rotarian Sallie Clay Lanham, program chair for August and who also is the Frankfort club's Environmental Committee chair (below, right).

The panelists for Aug. 22 are: Mark Barrett, solid waste coordinator for Franklin County; Jeff Hackbart (above, left), Public Works director for the city; Larry Hook, general manager, BFI-Lexington; Rudy Davidson, Louisville Public Works, and Jill Robinson, Franklin County's First District Magistrate, and a representative of the Environmental Technology Task Force.

Buying product made from recycled materials helps create and maintain demand for these prod-

ucts. The following are six reasons to buy recycled products:

1. We conserve land and reduce the need to drill for oil and dig for minerals by making products from recycled instead of virgin materials.
2. Making products from recycled content usually requires less energy. For example, recycled aluminum takes 95 percent less energy than new aluminum made from bauxite ore.
3. In most cases, constructing products from recycled materials creates less air and water pollution than making products from virgin materials.
4. You save landfill space because the items you recycle don't go into a landfill or incinerator.
5. Recycling often is the least expensive waste management method for cities and towns.
6. It also creates jobs and saves money. The recycling process creates far more jobs than those produced at landfills or incinerators.

**This Week's Speaker:
John Sower**

Today's guest speaker was former Frankfort Mayor John Sower. John is well known by all, being a 31-year member of Rotary as well as a Frankfort native, community civic figure, and successful businessman.

John spoke today on a newly formed organization in Frankfort which he is president, the Citizens for Open Government (COG). Citizens for Open Government is a nonprofit, nonpartisan network of citizens in Frankfort and Franklin County. It has been organized to strengthen local democracy and advocate open government policies that encourage active civic involvement.

COG's main purpose is to advocate open government policies and encourage active civic involvement and to support such efforts through the following local educational activities: (1) provide educational about local government operations; (2) enhance communication between citizens in the community; (3) ensure participation of informed citizens in local government decisions. Mr. Sower said that members are really a band of patriots who love the community so much, they are willing to fight for it.

John stated that membership in the network is open to any individual or organization interested in participating in or supporting its goals and activities.

You can learn more about the organization by visiting their web site at www.cogweb.home-stead.com. We thank John for his dedication and commitment, not only to Rotary, but also to our community.

Next Week's Program...

The speaker at Frankfort Rotary Club Wednesday noon, Aug. 29, will be Nature Conservancy representative Blair Rittenberry. She will present a slide program featuring the full range of the Nature Conservancy program in the state. The Rotary Club meets at the Frankfort Plaza Holiday Inn.

Blair Rittenberry has been working with the agency for about two years, and performs a variety of functions for the organization. She gives general assistance for the Nature Conservancy land acquisition program, does documentation for conservation easements, and gives assistance in fire management and other stewardship activities.

Rittenberry also is responsible for website maintenance, operates the geographic information system and makes public presentations.

This Week's Program: Recycling

The program today was on recycling. Half of the world's trash is produced by 5% of the world's population. There are many opportunities for recycling in Franklin County. A Recycling Center is located on Rouse Avenue. One ton of recycling is done each day by BFI. Recycling is a learning experience since many people are accustomed to simply throwing waste away. Reduce, reuse and recycling are the three "R's" to keep in mind. The Fiscal Court is sponsoring "Dumpster dives" where high school students put on boots and gloves to find recyclable materials. The future for recycling is part of the infrastructure now and the goal is to make recycling cot effective. 55% of Franklin Countians are now recycling.

Thanks

Thanks to Assistant District Governor Chuck Cicchella for leading the Club Assembly and visiting with our club today.

Keeneland Trip Friday Oct. 26

Reservations for the Keeneland outing can be obtained by giving Lee Troutwine a check for \$30.50 per person in your party. Make check payable to Frankfort Rotary Club for Keeneland.

Bill Miller named DG Select

Our own Bill Miller, immediate past president of Frankfort Rotary, has been named as the District Governor-Select for the Rotary year 2003-04 to serve District 6710. This is a signal honor, and just recognition for a dedicated Rotarian. The district covers half of the state of Kentucky, including 60 Rotary Clubs with more than 3,000 members.

Keep in Your Prayers

Keep in your prayers fellow Rotarian Pat Badgett, who is at home recuperating from a recent auto accident.

Annual Rotary Picnic

The Frankfort Rotary Club will celebrate the annual family picnic on Sunday, Sept. 16, 1-3 p.m. Once again, our host will be Lee Troutwine. Maps and directions will be furnished at a later time, but the Troutwine farm is located in Peaks Mill on the Elkhorn Creek. It's a potluck, so plan to bring a favorite dish.

Congratulations

Congratulations to Rev. Wallace Kent on 30 years of ministering at Crestwood Baptist Church. Congratulations to Frank and Minnie Sower on their 64th wedding anniversary. A big birthday wish to Hub Perdew on his 97th birthday.

Next Week's Program...

Frankfort Mayor **Bill May** will be giving a "State of the City" address to the noon luncheon meeting of the Frankfort Rotary Club.

William I. May, Jr. is a native of Franklin County, born March 19, 1959. Mayor May is the Great, Great, Great Grandson of Frank-

fort's First Mayor, Philip Swigert.

May graduated from Frankfort High School and received a Bachelor's Degree in Business Administration from Kentucky State University. He is a member of the First Presbyterian Church.

He is the founder and organizer of Coats for Kids. He has also held the following leadership positions: Board of Directors of the Frankfort Rotary Club, Past President of the Frankfort Jaycees, District Chairman of the Boy Scouts of America, Advisory Board Secretary of the Salvation Army, Civic Group Coordinator of the Frankfort Bicentennial, Board of Directors of the Frankfort Arts Foundation, Governmental Affairs Manager of the Kentucky Jaycees, Board of Directors of the Capital Expo, Board of Directors of P.U.S.H., Outstanding Young Men Of America 1984 and 1985. Bill May is presently a Lobbyist

and President of W. I. May Associates.

As an elected Frankfort City Commissioner in 1992-93, he was reelected for the 1994-95 term. He was elected Mayor for 1996 through 2001 and was reelected to a term to expire in December 2004.

Being married to Jenny Arnold May, they have four children, B.J., Kelly, Jena and Jeremy.

**This Week's Program:
Nature Conservancy**

The program today was on The Nature Conservancy, which is celebrating its 50th year of operation. They have 9,000 members and have preserved 35,000 acres in Kentucky. The mission is to preserve plants, animals and natural environments. Strategies have changed over the years. Today, the emphasis is on easements rather than purchasing land. The Kentucky River Palisades are one example of preserved habitats. The Green River is another example, which is one of the most biologically diverse habitats in the U.S.

Mussels are protected and are on endangered species. Education works better than laws in protecting endangered species.

**Answers to the Question:
Why Join Rotary?**

• **Friendship:** In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.

• **Business Development:** The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other and collectively help others.

• **Personal Growth and Development:** Membership in Rotary continues one's growth and education in human relations and personal development.

• **Leadership Development:** Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: - learning how to motivate, influence, and lead leaders.

• **Citizenship in the Community:** Membership in a Rotary club makes one a better community citizen. The average Rotary club consists of the most active citizens of any community.

• **Continuing Education:** Each week at Rotary there is a program designed to keep one informed about what is going on in the community, nation, and world. Each meeting provides an opportunity to listen to different speakers and a variety of timely topics.

• **Fun:** Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

• **Public Speaking Skills:** Many individuals who joined Rotary were afraid to speak in public. Rotary develops confidence and skill in public communication and the opportunity to practice and perfect these skills.

• **Citizenship in the World:** Every Rotarian wears a pin that says "Rotary International." There are few places on the globe that do not have a Rotary club. Every Rotarian is welcome - even encouraged - to attend any of the 29,000 clubs in 194 nations and geographical regions. This means instant friends in both one's own community and in the world community.

• **Assistance when Traveling:** Because there are Rotary clubs everywhere, many a Rotarian in need of a doctor, lawyer, hotel, dentist, advice, etc., while traveling has found assistance through Rotary.

• **Entertainment:** Every Rotary club and district has parties and activities that provide diversion in one's business life. Rotary holds conferences, conventions, assemblies, and institutes that provide entertainment in addition to Rotary information, education, and service.

Continued on back page

Continued from inside

• **The Development of Social Skills:** Every week and at various events and functions, Rotary develops one's personality, social skills and people skills. Rotary is for people who like people.

• **Family Programs:** Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

• **Vocational Skills:** Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation; to serve on committees and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

• **The Development of Ethics:** Rotarians practice a 4-Way Test that governs one's ethical standards. Rotarians are expected to be ethical in business and personal relationships.

• **Cultural Awareness:** Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color, and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of their cultures and learn to love and work with people everywhere. They become better citizens of their countries in the process.

• **Prestige:** Rotary members are prominent people: leaders of business, the professions, art, government, sports, military, religion, and all disciplines. Rotary is the oldest and most prestigious service club in the world. Its ranks include executives, managers, professionals - people who make decisions and influence policy.

• **Nice People:** Rotarians above all are nice people - the nicest people on the face of the earth. They are important people who follow the policy of it is nice to be important but it is important to be nice.

• **The Absence of an "Official Creed":** Rotary has no secret handshake, no secret policy, no official creed, no secret meeting or rituals. It is an open society of men and women who simply believe in helping others.

• **The Opportunity to Serve:** Rotary is a service club. Its business is mankind. Its product is service. Rotarians provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding. "He profits most who serves best."
