Cool Quotes...

The man who is denied the opportunity of taking decisions of importance begins to regard as important the decisions he is allowed to take. -C. Northcote Parkinson, author and historian (1909-1993)

Shall I tell you the secret of the true scholar? It is this: Every man I meet is my master in some point, and in that I learn of him. -Ralph Waldo Emerson, writer and philosopher (1803-1882)

**Answers to the Question:
Why Join Rotary?**

• **Friendship:** In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.

• **Business Development:** The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other and collectively help others.

• **Personal Growth and Development:** Membership in Rotary continues one's growth and education in human relations and personal development.

• **Leadership Development:** Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: - learning how to motivate, influence, and lead leaders.

• **Citizenship in the Community:** Membership in a Rotary club makes one a better community citizen. The average Rotary club consists of the most active citizens of any community.

• **Continuing Education:** Each week at Rotary there is a program designed to keep one informed about what is going on in the community, nation, and world. Each meeting provides an opportunity to listen to different speakers and a variety of timely topics.

• **Fun:** Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

• **Public Speaking Skills:** Many individuals who joined Rotary were afraid to speak in public. Rotary develops confidence and skill in public communication and the opportunity to practice and perfect these skills.

• **Citizenship in the World:** Every Rotarian wears a pin that says "Rotary International." There are few places on the globe that do not have a Rotary club. Every Rotarian is welcome - even encouraged - to attend any of the 29,000 clubs in 194 nations and geographical regions. This means instant friends in both one's own community and in the world community.

• **Assistance when Traveling:** Because there are Rotary clubs everywhere, many a Rotarian in need of a doctor, lawyer, hotel, dentist, advice, etc., while traveling has found assistance through Rotary.

• **Entertainment:** Every Rotary club and district has parties and activities that provide diversion in one's business life. Rotary holds conferences, conventions, assemblies, and institutes that provide entertainment in addition to Rotary information, education, and service.

• **The Development of Social Skills:** Every week

(Continued on back page)

(Continued from inside)

and at various events and functions, Rotary develops one's personality, social skills and people skills. Rotary is for people who like people.

• **Family Programs:** Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

• **Vocational Skills:** Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation; to serve on committees and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

• **The Development of Ethics:** Rotarians practice a 4-Way Test that governs one's ethical standards. Rotarians are expected to be ethical in business and personal relationships.

• **Cultural Awareness:** Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color, and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of their cultures and learn to love and work with people everywhere. They become better citizens of their countries in the process.

• **Prestige:** Rotary members are prominent people: leaders of business, the professions, art, government, sports, military, religion, and all disciplines. Rotary is the oldest and most prestigious service club in the world. Its ranks include executives, managers, professionals - people who make decisions and influence policy.

• **Nice People:** Rotarians above all are nice people - the nicest people on the face of the earth. They are important people who follow the policy of it is nice to be important but it is important to be nice.

• **The Absence of an "Official Creed":** Rotary has no secret handshake, no secret policy, no official creed, no secret meeting or rituals. It is an open society of men and women who simply believe in helping others.

• **The Opportunity to Serve:** Rotary is a service club. Its business is mankind. Its product is service. Rotarians provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding. "He profits most who serves best."

Next Week's Program...

Dr. William H. Crouch Jr. began his era of dynamic leadership-by-example the day he became president of Georgetown College in 1991. Often described as a visionary in not only corporate and academic worlds but also in the community of Christian faith,

Crouch's initiatives at the college include: the establishment of the Foundation Board; the achievement of numerous record-setting fundraising goals; the founding of two often-emulated programs, the President's Ambassadors and the Presidential Mentorship Program; the facilitation of the construction of a new Fine Arts Building, a nationally acclaimed Learning Resource Center and a high profile Athletic and Conference Center Complex, the latter to which he immediately recruited the Cincinnati Bengals' annual summer training camp.

Concurrently, Crouch has been instrumental in increasing Georgetown's enrollment, and vastly expanding the geographical base from which the student body comes, as well as leading the college to a Carnegie Foundation Baccalaureate College I

ranking.

Crouch represents Georgetown on a variety of community boards, including the Georgetown Community Hospital and the Lexington Area Sports Authority. Crouch also holds a seat on the commission on Leadership Development for the American Council on Education. He is also currently serving as Campaign Chair for the annual United Way of the Bluegrass fundraising initiative with a goal of \$10,000,000.

Crouch, the son of a Baptist minister who was also a well-respected educator, is a Louisville, Ky., native. He earned his bachelor's degree from Wake Forest University and his masters and doctorate from the Southern Baptist Theological Seminary. Prior to coming to Georgetown College, he served as a vice president of development at Carson-Newman College. Crouch and his wife, Jan, have four daughters and a son.

President Shockley Takes Helm

President Shockley assumed the helm and expertly conducted our first program of the new year. He recognized his Board members by giving each a lapel pin signifying their new office and followed with the club's congratulations to the Directory Committee who recently updated and published the new 2001 Membership Directory. He also noted that three of our members (Tony Charters, Beth Johnson, and Chris Young) recently completed the prestigious Leadership Frankfort

program. Calling the organization into a formal Business Session, he accepted a motion to recommend Past President Bill Miller for the position of District Governor for 2003-2004. The motion was passed unanimously.

Golf Scramble Update

Ed Dance reported that the Rotary Golf Scramble, our club's major fund-raiser set for July 17th, still needs players, prizes and supporters. Anyone willing to assist in this important endeavor should contact Mr. Dance or R.B. Brown. Any member interested in attending a Red's baseball game on July 27th should contact Dave Weller. The ticket price is \$30.

**This Week's Program:
Young Political Leadership
Speaker: John McCarthy**

Dr. Jim Graves introduced John McCarthy, a lobbyist with a local law firm who discussed a new political organization recently incorporated under the name Young Political Leaders of Kentucky. This new non-partisan group has already enlisted 150 members and seeks to improve the younger generation's interest and involvement in politics, government, and public affairs. The group is comprised of both Democrat and Republican members whose ages range generally from 25-40 who confidently predict they will bring new energy, initiative, and enthusiasm to Kentucky's political arena. Given Mr. McCarthy's enthusiastic and well-presented briefing of their actions thus far, success should be just a matter of time.

This Week's Speaker: Dr. William H. Crouch Jr.

Rotarian Dave Weller introduced Dr. Bill Crouch, President of Georgetown College. Dr. Crouch spoke on Georgetown College's campaign, entitled "Defining the Future." The central focus of the effort is for Georgetown College to achieve a Phi Beta Kappa chapter on campus. The Phi Beta Kappa Society is the most prestigious liberal arts honorary society in the nation. Dr. Crouch believes the time is right to significantly enhance the academic reputation of Georgetown College as a liberal arts institution of higher learning by joining the 255 elite colleges and universities with Phi Beta Kappa chapters. Dr. Crouch stated that to achieve this goal the college would not give up its faith-based identity.

and second by George W. Reid. Motion passed unanimously.

This Week's Speaker: Lynn Hudgins

This week's guest speaker was Ms. Lynn Hudgins, President of Junior Achievement of the Bluegrass. Ms. Hudgins has held this position since 1998. Prior to that she was vice president of member services for the Lexington Chamber of Commerce.

Lynn explained that the mission of Junior Achievement (J.A.) is to educate and inspire young people to value free enterprise, business and economics to improve the quality of their lives. The National Headquarters is located in Colorado Springs, which provides support for 156 local offices around the country.

Junior Achievement programs begin at the elementary school level, teaching children how they can impact the world around them as individuals, workers and consumers. J.A. programs continue through middle and high school grades, preparing students for the future economic and workforce issues they'll face. Junior Achievement can meet their goals only with the help of volunteers. Volunteers who care about our youth and take time out of their day to make a difference.

Answers to the Question: *Why Join Rotary?*

- **Friendship:** In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.
- **Business Development:** The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other and collectively help others.
- **Personal Growth and Development:** Membership in Rotary continues one's growth and education in human relations and personal development.
- **Leadership Development:** Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: - learning how to motivate, influence, and lead leaders.
- **Citizenship in the Community:** Membership in a Rotary club makes one a better community citizen. The average Rotary club consists of the most active citizens of any community.
- **Continuing Education:** Each week at Rotary there is a program designed to keep one informed about what is going

on in the community, nation, and world. Each meeting provides an opportunity to listen to different speakers and a variety of timely topics.

• **Fun:** Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

• **Public Speaking Skills:** Many individuals who joined Rotary were afraid to speak in public. Rotary develops confidence and skill in public communication and the opportunity to practice and perfect these skills.

• **Citizenship in the World:** Every Rotarian wears a pin that says "Rotary International." There are few places on the globe that do not have a Rotary club. Every Rotarian is welcome - even encouraged - to attend any of the 29,000 clubs in 194 nations and geographical regions. This means instant friends in both one's own community and in the world community.

• **Assistance when Traveling:** Because there are Rotary clubs everywhere, many a Rotarian in need of a doctor, lawyer, hotel, dentist, advice, etc., while traveling has found assistance through Rotary.

• **Entertainment:** Every Rotary club and district has par-

ties and activities that provide diversion in one's business life. Rotary holds conferences, conventions, assemblies, and institutes that provide entertainment in addition to Rotary information, education, and service.

• **The Development of Social Skills:** Every week and at various events and functions, Rotary develops one's personality, social skills and people skills. Rotary is for people who like people.

• **Family Programs:** Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

• **Vocational Skills:** Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation; to serve on committees and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

• **The Development of Ethics:** Rotarians practice a 4-Way Test that governs one's ethical standards. Rotarians are expected to be ethical in business and personal relationships.

• **Cultural Awareness:** Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color, and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of their cultures and learn to love and work with people everywhere. They become better citizens of their countries in the process.

• **Prestige:** Rotary members are prominent people: leaders of business, the professions, art, government, sports, military, religion, and all disciplines. Rotary is the oldest and most prestigious service club in the world. Its ranks include executives, managers, professionals - people who make decisions and influence policy.

• **Nice People:** Rotarians above all are nice people - the nicest people on the face of the earth. They are important people who follow the policy of it is nice to be important but it is important to be nice.

• **The Absence of an "Official Creed":** Rotary has no secret handshake, no secret policy, no official creed, no secret meeting or rituals. It is an open society of men and women who simply believe in helping others.

• **The Opportunity to Serve:** Rotary is a service club. Its business is mankind. Its product is service. Rotarians provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding. "He profits most who serves best."
