This Week's Speaker...

The speaker for the day was Transportation Secretary James C. Codell III. The Transportation Cabinet provides connections and mobility which is central to the well-being of our society. The Cabinet is charged with the responsibility of providing easy access to our everyday needs. The warehouses of today are on 18 wheels. Kentucky is ranked 9th in efficient managing of its highway system. Kentucky has 73,000 miles of highway, 27,000 miles of which are state maintained. Unfortunately, fatalities on rural roads are very high due to poor maintenance and the need for widening in part. Kentucky's investment in its highway system is 60% of the national average and the road fund has remained stagnant. Kentucky has the 46th lowest gas tax in the nation. The fuel tax fund has not kept up with current needs and inflation.

Secretary Codell also spoke about the new Transportation Building which is being built on Mero Street.

Happy Birthday! !

Happy Birthday to the following Rotarians who celebrate their birthdays in November:

This Week's Speaker: Gen. D. Allen Youngman

The speaker for the day was Brigadier General D. Allen Youngman who is the Kentucky Adjutant General. He spoke on how September 11 affected the Kentucky National Guard. We have been at war with this group of terrorists for about twenty years but just did not know it. This is a two-front war. One is the one we see on television. The other front is right here at home. The new watchword is Homeland Security. Consequence management means we deal with this threat at home. In Kentucky, we have been training for a possible disaster with the New Madrid fault. Emergency Management division deals with some of the same human concerns. One area of concern is the Open Records Act as it impacts on national security. Your driver's license is your passport to American society. This is another matter of concern. However, we

do not want to go overboard in curtailing civil liberties. The target here is our way of life. Let's not damage it by overreacting. Unfortunately, patience is not an American virtue. The war here at home will need patience. We are all part of this war whether we like it or not.

Cool Quotes...

Experience teaches us to be most on our guard to protect liberty when the government's purpose is beneficent. Men born to freedom are naturally alert to repel invasion of their liberty by evil-minded rulers. The greatest dangers to liberty lurk in insidious encroachment by men of zeal, well-meaning but without understanding. -*Louis Dembitz Brandeis, lawyer, judge, and writer (1856-1941)*

With time and patience the mulberry leaf becomes a silk gown. -*Chinese proverb*

Answers to the Question: "Why Join Rotary?"

• **Friendship:** In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.

• **Business Development:** The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other and collectively help others.

• **Personal Growth and Development:** Membership in Rotary continues one's growth and education in human relations and personal development.

• **Leadership Development:** Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: - learning how to motivate, influence, and lead leaders.

• **Citizenship in the Community:** Membership in a Rotary club makes one a better community citizen. The average Rotary club consists of the most active citizens of any community.

• **Continuing Education:** Each week at Rotary there is a program designed to keep one informed about what is going on in the community, nation, and world. Each meeting provides an opportunity to listen to different speakers and a variety of timely topics.

• **Fun:** Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

• **Public Speaking Skills:** Many individuals who joined Rotary were afraid to speak in public. Rotary develops confidence and skill in public communication and the opportunity to practice and perfect these skills.

• **Citizenship in the World:** Every Rotarian wears a pin that says "Rotary International." There are few places on the globe that do not have a Rotary club. Every Rotarian is welcome - even encouraged - to attend any of the 29,000 clubs in 194 nations and geographical regions. This means instant friends in both one's own community and in the world community.

• **Assistance when Traveling:** Because there are Rotary clubs everywhere, many a Rotarian in need of a doctor, lawyer, hotel, dentist, advice, etc., while traveling has found assistance through Rotary.

• **Entertainment:** Every Rotary club and district has parties and activities that provide diversion in one's business life. Rotary holds conferences, conventions, assemblies, and institutes that provide entertainment in addition to Rotary information, education, and service.

• **The Development of Social Skills:** Every week and at various events and functions, Rotary develops one's personality, social skills and people skills. Rotary is for people who like people.

• **Family Programs:** Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

• **Vocational Skills:** Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation; to serve on committees and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

• **The Development of Ethics:** Rotarians practice a 4-Way Test that governs one's ethical standards. Rotarians are expected to be ethical in business and personal relationships.

• **Cultural Awareness:** Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color, and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of their cultures and learn to love and work with people everywhere. They become better citizens of their countries in the process.

• **Prestige:** Rotary members are prominent people: leaders of business, the professions, art, government, sports, military, religion, and all disciplines. Rotary is the oldest and most prestigious service club in the world. Its ranks include executives, managers, professionals - people who make decisions and influence policy.

• **Nice People:** Rotarians above all are nice people - the nicest people on the face of the earth. They are important people who follow the policy of it is nice to be important but it is important to be nice.

• **The Absence of an "Official Creed":** Rotary has no secret handshake, no secret policy, no official creed, no secret meeting or rituals. It is an open society of men and women who simply believe in helping others.

• **The Opportunity to Serve:** Rotary is a service club. Its business is mankind. Its product is service. Rotarians provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding. "He profits most who serves best."
