This Week's Speaker...

The speaker for the day was Robert Clay Rivers who spoke about his recent trip to Thailand as part of the National Science Foundation Research project. In Thailand, life is not as structured as in this country, and things get done on their own time. Whatever people are doing, they are enjoying doing it. Thailand has a very distinct culture, since it was never taken over by a European power like its neighbors. Robert touched on various subjects about Thailand like the culture, food, and historic sites. Bangkok has the problems of any major metropolitan area, but the people are friendly. He also spoke about the beach and natural wonders. Thank you Joe Rudder for bringing us such an interesting program.

Next Week's Speaker...

Next week will be the joint Kiwanis and Rotary meeting. This year the Kiwanis Club is in charge of the speaker, and they have scheduled **Heather French Henry** as our program that day.

As the daughter of a disabled Vietnam veteran, Heather French Henry has experienced the pain and suffering that can come with military service. Throughout her life she followed her father in the halls of VA hospitals for treatments, experienced his night terrors and stood by his side in his miraculous journey "home" from the terrors of war.

After winning the title of Miss America 2000, she traveled more than 300,000 miles across the United States on a national speaking tour entitled "Our Forgotten Heroes: Honoring Our Nation's Homeless Veterans." Throughout her year she not only visited veterans facilities, meeting and talking with veterans, but her platform often took her to our nation's capital to lobby members of Congress and the Senate on veterans' issues and legislation. During her tour, veterans' healthcare issues became another serious focus and a second

campaign began entitled "Fighting the Silent Enemy: Hepatitis C." Touring the country with Hepatitis C advocates, screenings were held and hundreds of veterans were made aware of the dangers of Hepatitis C. Housing issues were also a part of Heather's platform. Partnering with the Manufactured Housing Institute and SENCO Corporations, "Homes for Heroes" was born. The program has provided numerous houses to formerly homeless veterans across the nation.

Even after her year of service, Heather is still seen traveling across the country to raise awareness and funding for veterans' issues through the Heather French Foundation for Veterans, Inc., which was established during her tour as Miss America 2000. In September 2001 the "Stuart Collick-Heather French Henry Homeless Veterans Assistance Act," (H.R. 2716) passed with flying colors before the House Veterans Affairs Committee. The Senate version of the bill (S. 739) is currently being reviewed. She is dedicated to raising the ideas of patriotism by educating young and old alike about the sacrifices made by the men and women who have served our nation.

In Heather's own words: "I will always be the daughter of a veteran and therefore I will always honor those who fell by continuing to serve those who live."

Heather now lives in Louisville, Kentucky with her husband, Kentucky's Lt. Governor, Steve Henry, MD and their baby daughter. Heather is the only reigning Miss America to win the Woman of Achievement Award, honoring her accomplishments on veterans' issues during her reign. Her efforts continue in three major areas. As a professional speaker, Heather takes her passion and expertise to the public at-large. Her belief that one person can make a difference moves audiences across the country to embrace their own dreams and their responsibilities as part of the fabric of their communities.

Annual Meeting Frankfort Rotary Club

Dec. 4 is our Annual Rotary Club Meeting. The Nominating Committee will report about officers for the upcoming year.

Kathy Woods, D&D Unlimited

Kathy joined D&D in July of 2002 in the capacity of Director of Fund Raising. Mrs. Woods has an extensive background in sales in the floral and event planning industries. She has owned and operated two highly successful companies in the Louisville area: "The Blossom Shop" and "Putting on the Glitz." A native Louisvillian, Mrs. Woods spent ten years in Texas with various companies in the floral industry, then three years in the same capacity in California.

Kathy joined D&D because of her interest in the charities with which they are affiliated, such as Habitat for Humanity, WHAS Crusade for Children and the University of Kentucky Children's Hospital. She has recently been traveling throughout the Southeastern United States in an effort to establish cartridge recycling as a mainstream practice (such as aluminum).

This Week's Speaker...

The speaker for the joint meeting with the Kiwanians was Heather French Henry, who was the 1995 Miss America. She stated that being named Miss America opened up many doors of opportunity to her to speak out about veterans' issues. She asked all veterans in the audience to stand and be recognized for their sacrifices. There are many unsung heroes who do volunteer work. There are as many individual experiences as there are veterans. Many volunteers work in hospitals. She recognized the contribution of Wal-Mart which has raised money for veterans' programs. Homeless veterans are being helped by young volunteers. She noted that while teenagers are 17% of the population, they are 100% of our future. She has testified nine times before Congressional committees on behalf of homeless veterans and also goes from state to state spreading awareness of the needs of veterans. At this time of Thanksgiving, let us all be mindful of the contributions of this nation's veterans.
