VOL. NO. XXX ISSUE NO. 36

September 7, 2005

**Next Week's Meeting....**

In November 2003, long-time Kentucky legislative leader **Gregory D. Stumbo** was elected to serve as the Attorney General of the Commonwealth. Prior to being elected Attorney General, Stumbo was elected to 12 terms as a State Representative and was Kentucky's longest-serving

House Majority Floor Leader and the only Kentucky legislator in state history with 19 years experience in legislative leadership. When first elected House Majority Floor Leader in 1985, Stumbo was the youngest Majority Floor Leader elected in the nation. In January 2003, he was elected to an unprecedented 10th term in that post.

Serving as a Representative from Prestonsburg in Floyd County – a vibrant community in the heart of Kentucky's Appalachian coalfields – Stumbo was known as a tireless fighter to protect Kentucky's environment and natural resources. He has been hailed as "the chief defender" of Kentucky's environment by the Lexington Herald-Leader.

Stumbo was recognized by the Kentucky Academy of Trial Attorneys and the Kentucky Family Safety Foundation in 2002 for his commitment to consumer-friendly legislation. He has been named by the Ashland Daily Independent as one of the most influential Kentuckians now in public office, and was selected by members of the East Kentucky Leadership Conference as outstanding "East Kentuckian of the Year." Back home, the Floyd County Chamber of Commerce honored Stumbo in 2001 by selecting him as its "Floyd Countian of the Year."

Stumbo also chaired the Special Task Force on Container Deposit in 1998 and was a member of the Special Legislative Task Force on Post Secondary Education, whose work led to a total restructuring of higher education in Kentucky. He served on the Education Reform Task Force, which drafted the landmark KERA reforms that transformed Kentucky into a national model for progressive elementary and secondary education and is Kentucky's past Chairman to the State Democratic Convention in New York.

Greg Stumbo's long tenure as Majority Leader has seen passage of some of the most progressive legislation in Kentucky history, including education reform, campaign-finance reform, Executive and Legislative Branch ethics reform and workers' compensation reform,

Early in his career, Stumbo served as Assistant Floyd County Attorney and held the position of Martin City Attorney for three years. He also served as Trial Commissioner to the Martin County District Court for one year.

A member of the Kentucky Bar Association and the American Bar Association, Stumbo received his law degree from the University of Louisville and his undergraduate degree from the University of Kentucky.

On the rare occasion that the demands of public service allow him time to relax, Stumbo enjoys hunting, fishing and golfing. He has three children, Morgan, Brooks and Cassidy and is married to the former Mary Karen Henderson.

**This Week's Speaker...**

The speaker for the day was Mark Hebert who stated that he believed the media had done a good job in covering the Fletcher administration. The lowest point for the media was in 1992 during the BOPTROT scandal when there was too much of a cozy relationship between the legislators and lobbyists. While he viewed the current Fletcher hiring practice to be much like what has been done in past administrations, it is different in that it appears the administration was trying to remove merit system employees too fast to make room for political supporters. For a complete report of Mark's remarks, visit the Club Web Page at: [www.Frankfort-Rotary.org](http://www.Frankfort-Rotary.org) and visit the September 7 calendar.

This week's Literacy Program book donation was a copy of ASK NOT provided to the library of FCHS in honor of Mr. Hebert's appearance.

**Thoughts & Prayers**

Our thoughts and prayers go out to fellow Rotarians John Loyd, who is at St. Joseph's Hospital in Lexington with an illness and to Jim Graves who is home recovering from surgery.

Attorney General Greg Stumbo provided the program for the club meeting.

**This Week's Speaker...**

The speaker for the day was Attorney General Greg Stumbo. He considers a great leader to be one who tells the truth and one who is a person of faith. He listed some of his most important accomplishments as attorney general to be the war on illegal drug activity, protection for seniors from predatory lending practices, keeping people safe in nursing homes (with a zero-tolerance policy for abuse), pursuing Medicaid fraud, price gouging by gasoline companies with a goal of not allowing persons or corporations to profit from natural disasters, and protecting the environment. For a complete summary of Mr. Stumbo's remarks, please visit the Club's web page: [www.frankfort-rotary.org](http://www.frankfort-rotary.org) and view the September 14 calendar.

**The Spirit of Rotary**

My words are not adequate to express "thanks for the well-wishing" from the members of our Frankfort Rotary Club. Such genuine sentiments sure define the "Spirit of Rotary Fellowship" and assist one on the road to recovery from an unexpected, traumatic and awesome surgery.

— Jim Graves

**Don Dykman requests RI videos or Rotary photos for a special project.**

**Thoughts & Prayers**

Our thoughts and prayers go out to fellow Rotarians Jim Smith, who is recovering from a fall and broken pelvis and to Jim Graves and John Loyd who both are at home recovering from surgery and illness.

**Adopt-A-Highway Set**

Join us for next clean-up of Rotary's section of Versailles Road to be held Saturday, September 24 at 9 AM. We will meet behind the east side McDonald's. Vests, garbage bags, and sticks will be provided. Be sure to bring gloves and good walking shoes. The clean-up usually takes about an hour.

**Don't forget to bring you "Support the Troops" items to next Wednesday's meeting!**

**Rotary Profile**

Past President **Don Dykman** was born and raised in and around Fremont, Michigan. He "got his learning" at Fremont High School where he played football, basketball and baseball. He claims to have beaten the great Hall of Famer, Jim Kaat, in a high school baseball game. (That means Don was either a pitcher, or he beat Kaat with a bat!) He went on to the University of Michigan where he played basketball and baseball. It's not noted how well, or what positions he played in college; Ask him. Don later received his MBA at Xavier University in Cincinnati. Don has held a lot of career positions including; Assessor, Interviewer, Human Resources Specialist (Toyota), Vice President, Human Resources (Life Insurance Co.) Director Human Resources (United Technologies) Labor Relations Specialist. All that experience accounts for the ease with which he handles the podium. Don is a widower and has five daughters and seven grandchildren. Don't ask him to do anything on Monday because that's the day he baby-sits. Don has been a

Rotarian for eleven years and exemplifies Service about Self. Bet you didn't know this: he once sang at Carnegie Hall in NYC!

**This Week's Speaker...**

The speaker for the day was Al Cross, a 26-year veteran reporter for the Courier-Journal and is now with the Institute for Rural Journalism and Community Issues at the University of Kentucky School of Journalism. In his job, he helps people to become reporters and editors who will in turn cover issues in rural America such as health care, economic development, and the environment. He compared two tobacco states, Kentucky and North Carolina, and how they have spent their

tobacco settlement money. North Carolina has invested heavily in biotechnology whereas Kentucky has invested a major portion of its money on a county-to-county basis. He sees his profession as involving an outreach job as he seeks to bring these and other issues to the forefront in seeking to help people see beyond the county line.

**This Week's Speaker...**

Jane Wooley of the Lexington-based Dry Stone Conservancy described that organization's work and the dry stonework heritage of Central Kentucky. She traced the technology of the dry stone construction to England, Ireland, Scotland, Italy and France, and its arrival in the United States through immigration of stonemasons from those countries. For a complete summary of Ms. Wooley's remarks, please visit the Club's web page: [www.frankfort-rotary.org](http://www.frankfort-rotary.org) and view the September 28th calendar. **Rotary Profile: John Bevington**

**John Bevington** is one of our newest members, having joined the club early this year. He was born and raised in Canton, Ohio and lived right across the street from the "Pro Football Hall of Fame." During enshrinement proceedings he and his brother would sneak in the back door and

hang out with the likes of Joe Namath and O.J. Simpson. John says he has quit boasting about having O.J. as a friend!

John attended Glenoak High School in Canton before his family moved to Franklin County. He played high school football as well as tennis and golf. Graduating from Franklin County High with the class of '95 (do the math, he is close to

being our youngest member), he went on to Western Kentucky University, graduating in 2000 with a degree in finance. *Cum laude* no less!

John has worked at all kinds of jobs, from McDonalds on up. John's classification is, "Automobile Sales". He is sales manager for Select Suzuki, a business owned by his family. His wife Dinah is an attorney with offices in Lexington and they are expecting their first child in December.

John has no big "claim to fame" yet but he has a lot of years to work on that. He is a hard worker and will be an asset to the Frankfort Rotary Club.

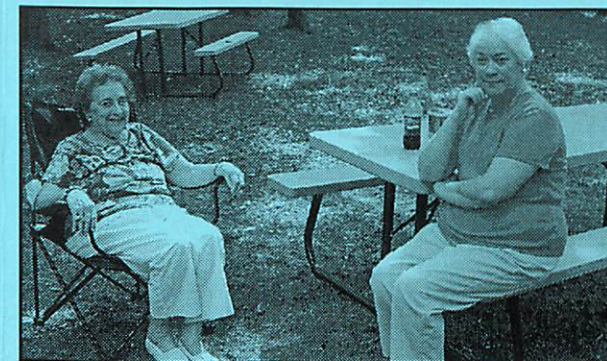

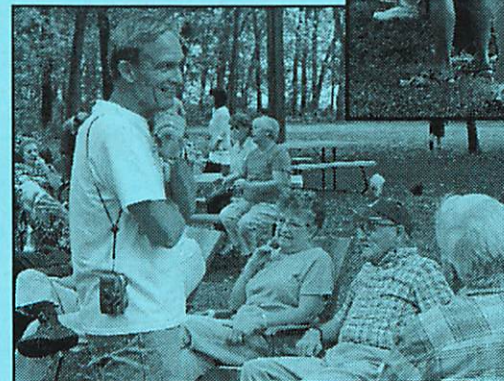

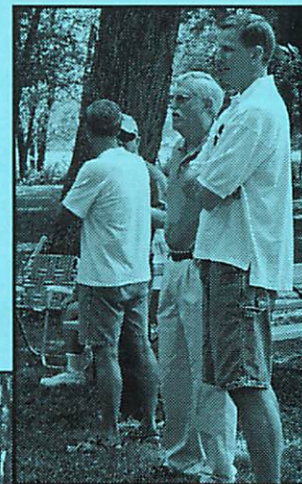

**Board Action**

The board approved a leave-of-absence for Jim Graves from 8/13/05 thru 11/30/05.
