Calendar of Important Events

The Board of Directors will meet Monday, January 23, 2006 at 5:30 PM (location to be announced).

World Community Service Committee Meeting will be February 6, 2006 at 5 p.m. at the home of Bill Miller, 111 Shelby St.

Answers to the Question: "Why Join Rotary?"

• **Friendship:** In an increasingly complex world, Rotary provides one of the most basic human needs: the need for friendship and fellowship. It is one of two reasons why Rotary began in 1905.

• **Business Development:** The second original reason for Rotary's beginning is business development. Everyone needs to network. Rotary consists of a cross section of every business community. Its members come from all walks of life. Rotarians help each other and collectively help others.

• **Personal Growth and Development:** Membership in Rotary continues one's growth and education in human relations and personal development.

• **Leadership Development:** Rotary is an organization of leaders and successful people. Serving in Rotary positions is like a college education. Leadership: - learning how to motivate, influence, and lead leaders.

• **Citizenship in the Community:** Membership in a Rotary club makes one a better community citizen. The average Rotary club consists of the most active citizens of any community.

• **Continuing Education:** Each week at Rotary there is a program designed to keep one informed about what is going on in the community, nation, and world. Each meeting provides an opportunity to listen to different speakers and a variety of timely topics.

• **Fun:** Rotary is fun, a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. The service is fun.

• **Public Speaking Skills:** Many individuals who joined Rotary were afraid to speak in public. Rotary develops confidence and skill in public communication and the opportunity to practice and perfect these skills.

• **Citizenship in the World:** Every Rotarian wears a pin that says "Rotary International." There are few places on the globe that do not have a Rotary club. Every Rotarian is welcome – even encouraged – to attend any of the 29,000 clubs in 194 nations and geographical regions. This means instant friends in both one's own community and in the world community.

• **Assistance when Traveling:** Because there are Rotary clubs everywhere, many a Rotarian in need of a doctor, lawyer, hotel, dentist, advice, etc., while traveling has found assistance through Rotary.

• **Entertainment:** Every Rotary club and district has parties and activities that provide diversion in one's business life. Rotary holds conferences, conventions, assemblies, and institutes that provide entertainment in addition to Rotary information, education, and service.

• **The Development of Social Skills:** Every week and at various events and functions, Rotary develops one's personality, social skills and people skills. Rotary is for people who like people.

• **Family Programs:** Rotary provides one of the world's largest youth exchange programs; high school and college clubs for future Rotarians; opportunities for spouse involvement; and a host of activities designed to help family members in growth and the development of family values.

• **Vocational Skills:** Every Rotarian is expected to take part in the growth and development of his or her own profession or vocation; to serve on committees and to teach youth about one's job or vocation. Rotary helps to make one a better doctor, lawyer, teacher, etc.

• **The Development of Ethics:** Rotarians practice a 4-Way Test that governs one's ethical standards. Rotarians are expected to be ethical in business and personal relationships.

• **Cultural Awareness:** Around the world, practically every religion, country, culture, race, creed, political persuasion, language, color, and ethnic identity is found in Rotary. It is a cross section of the world's most prominent citizens from every background. Rotarians become aware of their cultures and learn to love and work with people everywhere. They become better citizens of their countries in the process.

• **Prestige:** Rotary members are prominent people: leaders of business, the professions, art, government, sports, military, religion, and all disciplines. Rotary is the oldest and most prestigious service club in the world. Its ranks include executives, managers, professionals - people who make decisions and influence policy.

• **Nice People:** Rotarians above all are nice people - the nicest people on the face of the earth. They are important people who follow the policy of it is nice to be important but it is important to be nice.

• **The Absence of an "Official Creed":** Rotary has no secret handshake, no secret policy, no official creed, no secret meeting or rituals. It is an open society of men and women who simply believe in helping others.

• **The Opportunity to Serve:** Rotary is a service club. Its business is mankind. Its product is service. Rotarians provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding. "He profits most who serves best."

ISSUE NO. 3

Next Week's Program...

**The Honorable Walter A. Baker
 "Kentucky Judges: 1792-2006"**

Walter Baker is a man who gets things done, a wonderful public servant, and one of Kentucky's really first-rate citizens," observed historian Dr. Thomas Clark. "He has been a prime mover in modernizing Kentucky's educational systems and developing the History Center in Frankfort... he is a public man who makes living in this Commonwealth worthwhile."

A native of Columbia in Adair County, Baker went from this small rural community to one of the nation's largest cities and its most prestigious university, Harvard. Undaunted by the challenge, he graduated magna cum laude and Phi Beta Kappa and went on to earn a law degree, also from Harvard.

What followed has been a remarkable and distinguished career of public service. Indeed, over a career that now spans more than 40 years, Walter A. Baker has arrived on virtually every short list of Kentucky's most respected public servants, serving in key elected, appointed, and voluntary posts and receiving accolades for his work in each of them.

Baker's remarkable career has included national as well as state service. As a Lt. Colonel in the U.S. Air Force Reserves, Baker served as a Judge Advocate with the Kentucky Air National Guard for 20 years and was called to active duty for more than a year. He was awarded medals in 1969 and 1981 for meritorious service.

Baker's wealth of experience has also helped other nations meet the challenge of framing a new democracy. In 1995, Baker was selected by the U.S. Information Agency to advise the emerging Russian democracy on the legislative process and the construction of a constitution, and later to address an economic conference in Poland.

Prior to his work with the federal government, Baker served terms in both houses of the General Assembly, rising to the post of Minority Caucus Chairman in the Senate and serving as Vice Chair of the Senate Appropriations and Revenue Committee. During his tenure as a legislator, Baker was recognized in virtually every session by the Capitol press corps, first as the outstanding freshman Senator, then subsequently as the most valuable member of his party and, in the 1978 session, as the most outstanding orator in the Senate. Numerous other accolades followed.

This Week's Speaker..

The speaker for the day was former Senator and Supreme Court Justice Walter Baker, who spoke about many prominent and interesting judges whom have sat on Kentucky's highest court. Until 1976, the court of last resort was known as the Court of Appeals. There have been 153 justices on this court. Until the middle of the 19th century, the judges were appointed and were confirmed by the state Senate, just like on the national level today. He also spoke about the Old Court/New Court controversy of 1824-1826 when Kentucky had two highest courts.
