**Attention Program Chairs:**

We have had a number of requests to speak to our Club from individuals, ranging from the spokesperson for the Soybean Association, to Senator Rand Paul, to a Revenue Cabinet official to explain Kentucky's tax amnesty program. In each case, I have explained that we have 25 individual Program Chairs who are responsible for programs. If you have not confirmed your program(s) speakers yet and would like assistance with a program, please contact me and I can put you in touch with those who have requested to speak. Thank you for all you do to make our programs so enlightening and interesting! *-Carol Palmore*

**Cancer Prevention Study-3**

You can join the movement for less cancer and more birthdays by enrolling in the American Cancer Society's Cancer Prevention Study-3 (CPS-3). By joining CPS-3, you can help the American Cancer Society understand how to prevent cancer, which will save lives and give people more of their most precious resource: time. More time with their families and friends, more memories, more celebrations... and more birthdays. The American Cancer Society is recruiting men and women at select locations across the United States and Puerto Rico for CPS-3. Individuals are eligible to participate if they are willing to make a long-term commitment to the study by filling out questionnaires periodically, are between the ages of 30 and 65, and have never been diagnosed with cancer (not including basal or squamous cell skin cancer). For more information about CPS-3 and how you can participate, please visit [cps3frankfort.org](http://cps3frankfort.org), email [cps3@cancer.org](mailto:cps3@cancer.org), or call toll free at 1-888-604-5888.
