**Brad Thomas** is with the Small Business Services Division for the Kentucky Cabinet for Economic Development. As part of his duties, he is the primary contact for the Commonwealth with regards to Exporting and the Governor's Kentucky Export Initiative. The Kentucky Export Initiative (KEI) was created by Governor Steve Beshear to bring together agencies and organizations across the state to facilitate international trade opportunities for Kentucky businesses in a consolidated and consistent manner. Comprised of government entities, business organizations and trade experts, the KEI goal is simple – to increase Kentucky exports, which will lead to new Kentucky jobs and create diversified markets for Kentucky products.

He is also the primary contact for the Commonwealth for Tax Increment Financing (TIF) and is also responsible for supervising

the staff tasked with assisting small businesses through credits and loans as well as through government procurement. As a 23-year state government employee, Brad has worked with the TIF program since its inception. **Rotary News in Brief  
from Around the Globe**

*from www.rotary.org*

The Rotary Club of Manama, Bahrain, donated a mobile diabetes unit to the Bahrain Diabetes Society as part of the club's ongoing effort to combat type II diabetes among youth in the country. The van, which cost \$111,400 to equip, travels to schools and neighborhoods across the nation to screen children for diabetes and educate families on prevention. The unit's staff consists of volunteer doctors, nurses, and students from the Bahrain medical campus of the Royal College of Surgeons in Ireland.

**Cameroun:** Early last year, the Rotary Club of Fergus-Elora, Ont., Canada, worked with the Rotary Club of Bafoussam to install potable water systems in seven rural villages as part of Hand Up Cameroon, a project involv-

ing 34 clubs in Canada and the United States. One of the villages, called Bawouk, has 1,300 residents, who are mostly women and children; many of the working-age men have migrated to the nearby city of Bamenda to find work. The new water systems will benefit these families as well as the students and traders who come from neighboring villages for Bawouk's primary school and market.

**Canada:** The 56 clubs in District 7070 (Ontario) set a new fundraising record in September for their annual Rotary Foundation Walk. More than 500 Rotarians, family members, and local residents helped bring in over \$142,000 for the Foundation. District Governor Ted Koziel, Past District Governor Bob Wallace, and Rotary Foundation Trustee Chair Wilfrid J. Wilkinson attended the event. In 2011, the district raised a total of \$848,000 for the Foundation.

**Japan:** Twenty years ago, Grace Michiko Saito, of the Rotary Club of Tokyo Seijo Shin, founded Tokyo Grace, a charity that supports young musicians, children with disabilities, and the elderly. Since Saito began organizing biannual fundraising concerts for PolioPlus in 2002, Tokyo Grace has raised close to \$96,000 for polio eradication, disaster relief in Japan, and The Rotary Foundation. The concerts have featured distinguished vocalists, violinists, pianists, saxophonists, and flutists. The most recent event, held in November, raised more than \$3,300.

**Nicaragua:** Every November, the Rotary Club of Waterloo, Iowa, USA, sends Rotarians and other volunteers to impoverished areas of Nicaragua with two semitrucks full of donated Christmas gifts. Churches, school groups, and Rotarians from Iowa and seven other states work year-round to collect the goods. Since 2001, they've shipped about 2,400 "shoebboxes" – packages loaded with clothing, school supplies, and toiletries for kids – 790 layette bags filled with supplies for new mothers, 100 bicycles, and 12 tons of food.
