Next Week's Program...

Congressman **Andy Barr** first took the oath of office as the U.S. Representative for Kentucky's Sixth Congressional District on Jan. 3, 2013 and serves on the Committee on Financial Services and as co-chair of the bipartisan Congressional Horse Caucus. He supports policies that restore government accountability, including introducing the Live by the Laws you Write Act, which would ensure Members of Congress do not receive any special treatment, and supports "No Budget, No Pay" provisions that would require Congress do its job in order to get paid. He also co-authored the bipartisan Saving Lives, Saving Costs act to improve health care and lower costs.

Congressman Barr has initiated several constituent coalitions focused on finding solutions that will help Kentucky's Veterans and signature industries. He holds public events in each county he represents, meeting directly with constituents, maintaining monthly staff office hours in every county, and publishes actively

on social media and in his weekly eNewsletter. He and his wife Carol are the parents of Eleanor and Mary Clay, and are members of the Good Shepherd Episcopal Church. Andy has served on the Board of Directors of the Friends of the Isaac Murphy Memorial Art Garden and Prevent Child Abuse Kentucky.

Well Said...

"The principal goal of education in the schools should be creating men and women who are capable of doing new things, not simply repeating what other generations have done; men and women who are creative, inventive and discoverers, who can be critical and verify, and not accept, everything they are offered." -*Jean Piaget, psychologist (9 Aug 1896-1980)*
