A Message from Club President Kristin Cantrell

I am so pleased and proud to be serving as your President for this Rotary Year. People join Rotary for many reasons: Fellowship, Community Service, Business Networking, and International Service.

I joined because I wanted to be involved with an organization that makes a difference in the world and in our community. The mission of Rotary transcends many barriers to progress in the world today, such as religious and political affiliations. Our culture has become one of division and mistrust, which results in stagnation when trying to solve problems and serve humanity. We cannot afford stagnation.

The last couple of years have been difficult for our country and the divisions on the national stage are toxic. I feel pretty helpless about what happens on the national level, but Rotary allows me to work towards effective change side by side with other Rotarians, regardless of their personal beliefs and affiliations. We share a common set of values in the Four Way Test,

which encourages us to bring out the best of ourselves.

So with those comments in mind, I am asking a favor of you as a fellow Rotarian. I want our meetings and our work to be a safe zone, free from political discourse and negative discussion. So regardless of how you participate, whether it's leading a project, or facilitating a table discussion, performing opening exercises or inviting a guest or speaker, please keep in mind that we are on the same team and respect others' perspectives. Please refrain from emotionally charged rhetoric or commentary that fans the flames of animosity. We want to be warm, welcoming and inclusive in order to be a healthier club positioned for growth and greater service to our community.

If you would like to discuss my request, please call me or see me after a meeting. Thank you!

Kristin Cantrell, 502-875-1130
