**Benefits program announced**

RI President-elect K.R. Ravindran introduced a member benefits program at the closing session of the 2015 RI Convention, saying that many more hands are needed to continue Rotary's work around the world.

The program, Rotary Global Rewards, aims to boost membership and enhance member satisfaction. "This innovative new program will allow Rotary members to connect with hundreds of businesses and service providers from around the world – and that number is growing," said Ravindran. "These establishments will offer Rotarians discounts and concessions on the everyday business that you do. And, in many cases, not only will you benefit, but our Foundation will as well, by receiving a contribution with each transaction."

The program will include discounts on car rentals, hotels, dining, and entertainment. Discounts on more products and services from companies worldwide are expected to be added throughout the year.

"It will be another way to benefit from being a Rotarian and being part of the Rotary network," said Ravindran, whose presidential theme is Be a Gift to the World. "I urge all of you to become a part of that scheme."
