Think of all the ways your club has made a difference this year! We are joining together to celebrate your accomplishments at the District Conference, June 1-2 in Paducah, by highlighting accomplishments both locally and internationally, providing club awards, training officers, completing a service project, and enjoying New York Times best-selling author and business trainer Andy Andrews' topic "Making a Difference."

Registration is now open for the District Conference and we want every club represented. Included in the registration is a choice of 5

extra evening activities that are first come, first served and are sure to fill up fast! Please refer to the attached document for more information.

Contact the Holiday Inn Paducah Riverfront, so make your reservation now by calling (270) 366-7614. This is the only hotel within walking distance of all venues, so rooms will likely be in high demand.

## Former First Lady Laura Bush to speak at Rotary convention

*From www.rotary.org*

Former First Lady of the United States Laura Bush, an advocate for literacy, education, and women's rights, will speak at the 2018 Rotary Convention in Toronto this June.

**Laura Bush**

For decades Mrs. Bush has fought for key national and global issues including launching groundbreaking education and healthcare programs in the U.S. and abroad. She founded both the Texas Book Festival and the National Book Festival in Washington D.C. As chair of the Women's Initiative at the George W. Bush Institute, Mrs. Bush continues her work on global healthcare innovations, empowering women in emerging democracies, education reform, and supporting men and women who have served in the U.S. military.

Women's healthcare also has been a central issue for Mrs. Bush. Because heart disease is the leading cause of death among American women, she partnered with the National Heart, Lung, and Blood Institute to launch The Heart Truth campaign and Red Dress project. The Heart Truth raises awareness among women about their risk for heart disease.

Mrs. Bush is the author of the bestselling memoir, *Spoken From the Heart*, and bestselling children's book, *Our Great Big Backyard*. She serves on several boards including the National Advisory Board for the Salvation Army, the Council for the Smithsonian National Museum of African American History and Culture, the Board of Trustees for the National Trust for Historic Preservation, and the Southern Methodist University Board of Trustees.
