Next Week's Program...

Jerry Deaton is a 30-year resident of Frankfort Kentucky but got his start in good old Breathitt County. Jerry began his career here in Frankfort as an analyst for the Legislative Research Commission, moved on to become Executive Director of The Municipal Electric Power Association, and ended his career as Director of Legislative Affairs for the Kentucky League of Cities. When he retired he began writing and making films about his time and experience in the mountains of Eastern Kentucky. His most recent project was the biographical documentary film "Harry Caudill, A Man of Courage."
