Next Week's Speaker...

Corey Councill started FADD (Families Against Deadly Drugs) six months after the overdose death of his oldest son. He will tell his son's story, discuss "Not My Kid" syndrome, explaining the economic effects of the opioid epidemic, share resources, and answer questions to help you connect with today's teens. Corey is a proponent of Casey's Law and is dedicated to the education, support, resources, training, and a voice to illustrate the dangers of prescription and illegal opioid addiction.

Rotary Golf Scramble

Our annual golf scramble to benefit the Frankfort Rotary Youth Fund Scholarship Program will be Monday, May 13 at the Frankfort Country Club, 101 Duntreath Street. We need \$150 Silver hole sponsors and \$250 Gold hole sponsors. To sponsor a hole, please contact Bill Scott at willsco90@gmail.com or (502) 395-1566. We also need golf teams to register as soon as possible. Bill Scott will coordinate the team registrations. For this scramble to be successful, we need all Rotarians to participate at some level. This is the largest fundraiser for our club and we need your help. We are also looking for sponsors. Let's all work together to make this scramble the most successful ever!

Rotary Foundation

As we approach the end of this Rotary year (June 30) we should make one final push to give to the Annual Share Fund of the Rotary Foundation. When you give to the Annual Share Fund, you fund important work all over the world in the six focus areas of Rotary, and you also increase the money that comes back to fund district grants here at home three years from now. The two grants we received this year for the vocational scholarship and the Legacy Park Gazebo were made possible by the Annual Share Fund.

Through May 31, we have several Rotarians in our club who have matching points to offer for donations between \$100 and \$500. If you want to know your current giving status, please contact Kristin Cantrell and she will help you through the process. kristin.cantrell@gmail.com or (502) 875-1130.
