Rotary Foundation

Fellow Rotarians, I'm hoping you are all well and safely tucked away with your families. There are so many people affected by this virus, and the Rotary Foundation is stepping up to the plate.

As you know from our work with Polio Plus, Rotary is at the forefront of fighting infectious disease, so we have the relationships, the infrastructure and the experience to help people manage this crisis all over the world. The only thing they need is money. If you would consider an additional gift to the Rotary Foundation, you would be helping citizens here in Kentucky and around the world

through the pandemic, and your money will help fund future district grants that have supported our beautification projects and scholarships right here in Frankfort. Especially if you received a stimulus check while still working or receiving retirement income, please consider giving a portion that you can afford to the Rotary Foundation.

If you're willing and able, please send a check to my home and I will record and submit your donation for the club. My address is

1853 Old Frankfort Road, Lawrenceburg KY 40342. Or you can go online and make the donation directly to the Rotary Foundation ANNUAL SHARE FUND at www.rotary.org. Please donate by May 15 if possible.

Thanks everyone. Can't wait until we can get together again and enjoy each other's company while celebrating Service Above Self.

Experience different cultures and build international friendships through Rotary Friendship Exchange

from www.rotary.org

What is Friendship Exchange? Friendship Exchange is an international exchange program for Rotary members and friends that allows participants to take turns hosting one another in their homes and clubs.

Participants may travel as individuals, couples, families, or groups, and may be Rotary members or not.

Benefits of an exchange

- Broaden international understanding
- Explore a profession or job in a different context
- Build enduring friendships
- Establish a foundation for peace and service
- Gain opportunities for active project involvement and support
- Learn about a region's people, food, languages, customs, and history
- Find partners for grants

Define your purpose. Friendship exchanges are organized around at least one of three themes: culture, service, and vocation.

Fund your exchange. All exchanges are paid for by the participants or their districts.

Hosts are not expected to assume a significant financial burden. Club or district funds may be available to offset the costs of exchanges that have a vocational emphasis.

Share your story. After your trip, submit a report to your district, as well as to [rotary.service@rotary.org](mailto:service@rotary.org). It's your chance to tell us about your experience, make suggestions, and share what you learned.

Types of exchanges

Vocations – In Lhuwhawha, Uganda, Rotarians from England helped at a medical clinic and delivered clothes, medicine, mosquito nets, boots, and latex gloves.

Culture – When Rotarians from Malaysia visited the United Kingdom, they broadened their international understanding through cultural immersion and meetings with leaders.

Fellowship – Rotarians from Latvia visited historic sites and enjoyed traditional food and dancing in Mexico.

This and more information, including an interactive map of destinations, can be found at <https://www.rotary.org/en/our-programs/friendship-exchange>
