Next Week's Meeting...

Our club will be holding our first in-person Rotary meeting for those who wish to attend; members that would prefer not to may join in by Zoom. It will be held at our regular meeting time of 11:45.

We understand that many of our fellow Rotarians would prefer to continue meeting remotely. We also understand there are several who have expressed a desire to meet in person. So that we may accommodate both groups and learn to navigate our new socially-restricted reality, our first in-person meeting will be conducted in compliance with Covid-19 guidelines and a Zoom meeting scheduled simultaneously.

Our normal sign-in sheet will be replaced with a health screening log, temperature checks will be taken, masks will be required, and we will have copious amounts of hand sanitizer on hand. There will also be no food and beverage service. To off-set the cost of the meeting space, each physical attendee will be asked to contribute \$5.

We are also exploring the possibility of hosting future in-person meetings outside, and welcome your suggestions and support.

As an icebreaker for our first in-person meeting, Teresa Hockensmith has organized a greeting card service project to benefit residents of Bradford Square nursing home. Please grab a card or two and pen a personal message to someone in need of comfort. If you're joining the meeting remotely and would like to participate, just let us know and we'll make it happen. And if all goes well, we'll be welcoming at least one new member next week!

Below is the information you will need to join the meeting if you are going to Zoom.

Frankfort Rotary is inviting you to a scheduled Zoom meeting.

Message From Pres. Donna

Fellow Rotarians, I am so honored to serve as your club president. Our society has been through so much these last few months and many of us are trying, not only to make sense of it all, but to plan a way forward in hope and optimism for a better future. I believe Rotary

offers a unique platform to explore difficult issues. As Frankfort's premier civic organization, we have the opportunity and the obligation to serve our community by presenting and discussing a wide range of viewpoints, and considering the challenges still faced by many of our fellow citizens. Your service and commitment are needed now more than ever! Thank you in advance!
