VOL. NO. XLV

ISSUE NO. 45

November 4, 2020

Next Week's meeting...

Our November 11 program will be a salute to our veterans, especially those in our club! In celebration of Veteran's Day, we will recognize our club's veterans and honor their service to our country. Our program will feature musical selections from area students and remarks from retired Brigadier General **John W. Heltzel**.

Heltzel

Heltzel received his military commission in the Kentucky National Guard from Eastern Kentucky University in 1979. In 2007, he was selected to serve as the Deputy Commander of Kentucky's Joint Force Headquarters, where he was responsible for the training of the Kentucky National Guard in direct support of the Homeland Security Mission.

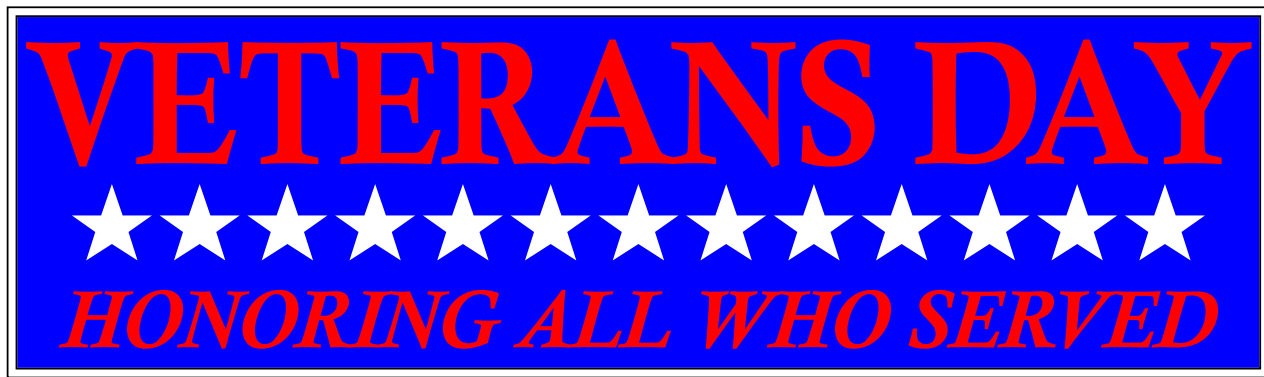

In July 2008, Governor Steve Beshear appointed General Heltzel to head the Division of Emergency Management. During that time, he has directed the Commonwealth's response to ten presidentially-declared disasters, including 2009's catastrophic Ice Storm.

General Heltzel earned a master's in public affairs, a certificate in information technology and security from the National Defense University and an International Security Certificate as an Army Fellow at Tufts University, Fletcher School of Law and Diplomacy. After serving the Commonwealth for five years as the head of emergency management, General Heltzel completed several national programs focusing on readiness and preparedness.

In 2016, General Heltzel accepted a position as the Director for Resilience Planning with the Electric Infrastructure Security Council, a non-profit headquartered in Washington. In that capacity, General Heltzel has taught and presented executive seminars around the world on Black Sky preparedness and resilience.

One of his significant accomplishments is the creation of the annual EARTH EX virtual exercise that has been played thousands of times by people all over the world. In 2019, over 41 countries played EARTH EX, making it one of the largest resilience-focused exercises in the world.

Heltzel and his wife Donna make their home in Lawrenceburg.
