The General George Patton Museum of Leadership has recently reopened to the public after extensive renovations, and seeks to inspire visitors to develop their own sense of good leadership, both professional and personal; to strengthen the bonds of the Army, Fort Knox, and surrounding communities; foster interest in military history, and deepen the understanding of past choices and future possibilities.

Its mission is to preserve General Patton's legacy and example of leadership, while promoting other military leaders, for future generations of leaders through support, promotion, expansion, and modernization of the General George Patton Museum by cultivating a robust community of donors and sponsorships while maintaining lasting relationships with the military, veteran, and civilian communities for generations to come. The Four-Way Test

Rotary's Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings.

Of the things we think, say or do...

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
