Next Week's Meeting...

Mike Harmon is currently in his second term as Kentucky's Auditor of Public Accounts, and previously served 13 years in the state House of Representatives representing the people of Boyle and Casey County, and previously Washington County, in the 54th District. During his time in public service, Harmon has always promoted common-sense solutions to make life better for the people of Kentucky by supporting good public policy to protect and preserve taxpayer dollars. Mike brings those same values, along with his desire to make government more transparent, to his role as Auditor. His motto, "Follow the Data," has become synonymous with the role of the auditor's office.

Harmon

Under his leadership, the auditor's office has completed high-profile audits and examinations of entities and programs such as the Commonwealth's public retirement systems, the Administrative Office of the Courts, Kentucky

Wired, the University of Louisville Foundation, and many others. His administration has also supported legislation to strengthen city audit requirements, improve transparency of area development districts, and reduce the cost of audits for county officials.

Mike is a graduate of Eastern Kentucky University with degrees in math, statistics, and theater, and was valedictorian of his Boyle County High School class. Mike also serves as a deacon and church moderator at Junction City First Baptist Church. Despite all these accomplishments, Mike is most proud of being married to his wife, Lynn for more than 30 years, and raising their two daughters, Tori and Lizzie. Mike is also a proud grandfather to Aiden and Silas.
