# About Rotary

Rotary brings together a global network of volunteers dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 35,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping families in need in their own communities to working toward a polio-free world.

## Statement from Rotary International

At Rotary, we have no tolerance for racism. Promoting respect, celebrating diversity, demanding ethical leadership, and working tirelessly to advance peace are central tenets of our work.

We have more work to do to create more just, open and welcoming communities for all people.

We know there are no easy fixes and that challenging conversations and work lie before all of us. Rotary's strength has long been our ability and commitment to bringing people together. We will tap into that strength now as we stand with those who are working for peace and justice.

Rotary will do our part to listen, learn and take action to ensure that we continue to contribute to making positive change.
