Thorn Hill Executive Director Kelley Anderson expounds on the variety of programs and services available at the Learning Center.

*What is Rotary doing to make a better world?*

The Rotary Foundation supports education through scholarships, donations, and service projects around the world. Rotary members make amazing things happen, like:

**Opening schools:** In Afghanistan, Rotary members opened a girls' school to break the cycle of poverty and social imbalance.

**Teaching adults to read:** Rotary members in the United States partnered with ProLiteracy Detroit to recruit and train tutors after a study showed that more than half of the local adult population was functionally illiterate.

**New teaching methods:** The SOUNDS program in South Africa, Puerto Rico and the United States teaches educators how to improve literacy by teaching children to recognize letters by sounds instead of names.

**Making schools healthy:** Rotarians are providing clean, fresh water to every public school in Lebanon so students can be healthier and get a better education.

**Enhancing educational systems:** In Kenya, Rotary clubs are working with the Global Partnership for Education and local and national governments to advance life-long learning opportunities for poor and marginalized children.

*“When you teach somebody how to read, they have that for a lifetime. It ripples through the community, one by one.”*

– Mark Wilson, Rotary Club member
