Next Week's Meeting...

Have you ever seen a Harley Davidson Scooter? Chances are you haven't. Next Wednesday, Oct. 11 is your opportunity! Come and see a mint condition, 1960 Harley Davidson Topper AU.

Only 2,000 of them were built from 1960-61. Frankfort resident **Stephen Kent** (brother of fellow Rotarian Andrew Kent) will share the story of how this beautiful scooter made the long and fascinating journey from a small rural town in southeastern Kentucky to big-city Lexington. This bike first provided a young entrepreneur the wheels needed for his daily paper route in the early 1960s. Next under a new owner, the scooter covered the numerous miles and trips required for a young college student to make trips from his childhood home to college and back. Ultimately, hear how the bike was awarded the Keeneland Cup in 2017 and recognized as the World's best Topper. This is a story you don't want to miss!
