VOL. NO. XLIX

ISSUE NO. 6

February 7, 2024

Next Week's Meeting...

Dr. Michael Cairo is a professor of Political Science and the Program Director of International Affairs at Transylvania University. He has written two books: *The Gulf: The Bush Presidencies and the Middle East* (University Press of Kentucky, 2012); and *American Presidents and Israeli Settlements since 1967* (Routledge, 2023). His most recent book is extremely timely, especially given the horrific violence occurring between Israel and Hamas. Events that often seem far-removed from Americans do have a dramatic impact on us in this country.
