Next Week's Meeting...

Paul Sawyer Public Library's **Dalton Bennett** brings a wealth of experience to his role as an aspiring library professional, having launched his career at Taylor County Public Library in Campbellsville, KY, over a decade ago. In 2023, he embraced the role of Digital Services Specialist at Paul Sawyer Public Library with a fervent dedication to enlightening patrons about the realm of digital resources. Yet, Dalton's vision transcends conventional boundaries. Over the past year, he has zealously crafted a pioneering curriculum for basic computer education, online and in-person, while revolutionizing library programming with cutting-edge technology, notably in extended reality. His affinity for technology was nurtured during his time in schools, where he actively collaborated with teachers and media specialists, deepening his understanding and appreciation for its transformative potential.

Yet, Dalton's vision transcends conventional boundaries. Over the past year, he has zealously crafted a pioneering curriculum for basic computer education, online and in-person, while revolutionizing library programming with cutting-edge technology, notably in extended reality. His affinity for technology was nurtured during his time in schools, where he actively collaborated with teachers and media specialists, deepening his understanding and appreciation for its transformative potential.

Dalton's academic journey culminated in 2022 with a Master of Science in Libraries, Informatics, and Technology in Education from Western Kentucky University. Currently calling Louisville home, Dalton shares his abode with his partner and their two cherished English Bulldogs, Mochi and Magnolia.

Dalton's presentation will be on WIN Learning, which represents a cutting-edge online learning solution meticulously crafted to foster career readiness across three pivotal domains: Hard Skills, Soft Skills, and Digital Literacy. Thanks to two leading agencies, Kentucky Career Center and KY Adult Education, WIN Learning is free for all Kentuckians. Within this dynamic platform, students are empowered to explore a diverse spectrum of work-related competencies, equipping them with the tools necessary for success in today's rapidly evolving job market. Upon completion, students gain nationally and state-recognized credentials, effortlessly enhancing their resumes and professional profiles on platforms like LinkedIn.

Whether honing technical proficiencies, cultivating interpersonal acumen, or mastering digital literacy, WIN Learning offers a comprehensive pathway towards professional growth and advancement. During this presentation, Dalton will delve into the integration of WIN Learning at the library, highlighting how both job-seekers and current professionals can enroll to kick start their journey towards enhanced employability.

Thanks to fellow Rotarian Angela Bullock for donating this week's raffle item.

Board of Directors Meeting

Just as a reminder there will be no Board of Directors meeting for May 2024, the next board meeting will be June 19, 2024 directly following the weekly meeting at the American Legion.

RI Dinner Set for June 27

Our annual Rotary International Dinner will be June 27, 2024 at KSU Harold Benson Research and Demonstration Farm, 1525 Mills Lane, Frankfort, KY. There will be more information coming on the cost and who we have as speaker.

Thanks to Sarah Hendricks with CASA of the Bluegrass for speaking to our club today.

The Four-Way Test

Rotary's Four-Way Test is a non-partisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings.

Of the things we think, say or do...

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
