Next Week's Meeting...

Frankfort native **Andrea Wilson Mueller**, CPLD, FAPLD, is a 2003 cum laude graduate of the University of Kentucky College of Design, where she earned a Bachelor of Arts in Design. Growing up in Kentucky's horticulture industry—her father founded one of the state's largest nurseries—Andrea developed a strong and lasting connection to the natural world.

Mueller

Her diverse background encompasses architecture, interior design, and landscape design, providing her with a holistic perspective on outdoor spaces. As the founder and principal of her design-build firm, Inside Out Landscape Design, Andrea leads projects that prioritize ecological integrity and environmental stewardship. Her work often includes native plantings, prairies, pollinator habitats, reforestation efforts, rain gardens, and sustainable materials, such as permeable paving.

Andrea is the first and only APLD-certified landscape designer in Kentucky. She has received ten international design awards through the Association of Professional Landscape Designers (APLD) and is recognized for her

innovative and responsible approach to landscape design that seamlessly blends aesthetics with purpose.

Inside Out Landscape Design is a full-service landscape and hardscape design and installation company that adopts an eco-friendly approach to creating enriching outdoor spaces in central Kentucky. Their team specializes in designing and building individualized, sustainable landscapes and outdoor spaces that incorporate functional design, resilient plants, and permeable hardscapes.
