Of the things we think, say or do...

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

An anti-sextortion conference in Louisville hosted by United Nations Association of the USA Kentucky Division partnering with Rotary and NGOs, will spotlight Kentucky's new law addressing sexual extortion, the tools available in schools to fight this crime, and practical ways individuals and families can protect themselves from online exploitation.

The event will be held Monday, Oct. 27, from 5-9 p.m. at Lang House, 115 South Ewing Ave. in Louisville. First Lady Britany Beshear will deliver remarks on Kentucky's broader work to combat human trafficking.

The event will also celebrate the advocates and policymakers who worked to pass a law in Kentucky this year making sextortion a crime. Sextortion is a form of exploitation that occurs when a person obtains sexually explicit images of an individual and threatens to release them unless their demands (monetary, sexual, or other requests) are met.

First Lady Britany Beshear

This past September Rotary had an amazing Rotary Youth Leadership Award (RYLA) in Greenville, KY. There were 47 sophomores and juniors that attend (four from our club), along with 15 staff and junior counselors. It was a great Rotary weekend filled with energy and inspiration. Our future is very bright with talented young adults. A special thanks goes out to our own Andrew Kent for providing transportation for our students that attended.
