

**ROTARY CLUB OF
 FRANKFORT, KENTUCKY**

DISTRICT 6710 • CLUB NO. 3717 • ORGANIZED DECEMBER 1922

Vol. No. LI

Issue No. 16

April 22, 2026

Next Week's Meeting...

Native-born **Cameron Mills** experienced a Kentucky boy's dream by following in his father's footsteps and playing basketball at the University of Kentucky during some very good years. From 1994-1998, Cameron and his teammates played in three NCAA Final Fours, three NCAA National Championship games and won two NCAA National Championships, beating Syracuse in 1996 and Utah in 1998. During his time at UK Cameron became UK's all-time leader in three-point percentage for a career at 47.4% as well as all-time leader in three-point percentage for a season at 53.2%, records he held for 25 years.

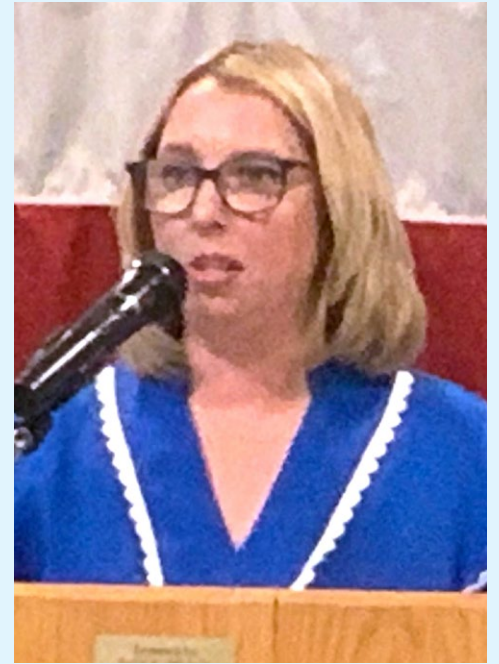

Mills

After his time at UK ended in 1998, Cameron started Cameron Mills Ministries, a non-profit from which he travels to share the difference Jesus Christ has made in his life. Besides ministry opportunists to share his faith, Cameron also speaks at leadership conferences, corporate events, and schools where he loves to talk about the power of influence and the opportunity that we all have to make a difference in people's lives with our deeds, not just our words.

When he's not being honored with the opportunity to speak, Cameron works in the health care industry. Since 2004 he has been with LHC Group, a national home health and hospice company which serves parents in

**We thank
 Downtown
 Frankfort, Inc.
 Executive
 Director Suzy
 Hosley for
 speaking to the
 club today.**

38 states through over 700 locations. In 2019, Cameron was named LHC Group's Vice President and Chief Culture Officer, a role he absolutely loves as he gets to love on people who are on the front lines of the health care industry, a group of people who were heroes long before the worldwide Covid-19 pandemic.

Cameron lives in Lexington with his wife, Susan, who is a children's book author and illustrator currently working on a 26-book series about a world of dinosaurs who have special needs. The first six books of her series have been published and are available on Amazon, Barnes & Noble, Walmart, and Target. She is an avid painter, concert pianist and by far the most talented person in the household, apart from her son Alex, who is on the autism spectrum and is the inspiration behind her book series. Honestly, Cameron is amazed Susan ever said "Yes" to him.

Cameron will be bringing posters which he will sign and sell for \$10 for those interested.

Opening Exercise and Greeter April 29, 2026

Opening exercise will be Andrew Kent

Greeter will be Grant Smith

Monthly Board of Directors Meeting

The monthly board meeting will be this coming Wednesday, April 29, 2026 following the weekly meeting. Directors and officers please make every effort to attend, and any member wishing to attend is welcome.

Rotary 6710 District Raffle Basket

District Governor Elect Sherrill Smith will be collecting items for this year's District Conference Raffle Basket at the April weekly meetings. Below are items that would be great to put in the basket. Please help fill this year's basket from our club.

Items needed could include bourbon from our different distilleries, books by our Rotary authors, Frankfort Monopoly game, Rebecca Ruth candy, small crafts, artwork, anything with a Frankfort theme like caps, T-shirts, Frankfort drinking glasses, Frankfort Christmas ornaments, Frankfort brochures on our beautiful community.

**The 8 in 8 Membership Challenge
 Runs Through April 30**

Rotary clubs are working on the 8 in 8 Membership Challenge, a focused, achievable effort to strengthen clubs through intentional growth. Beginning March 1, clubs will have 8 weeks to add 8 new members. Early planning starts now!

The Challenge

- Goal: Add 8 new members in 8 weeks
- Timeline: March 1 through April 30
- Eligibility: Any Rotary or Rotaract Club

There's no complicated scoring or comparison by club size. Meet the goal, and you're in.

The Incentive

Clubs that successfully add 8 new members during the challenge period will be entered into a drawing for \$1,000 to host a member social event in May or June. The social event must include members bringing guests, reinforcing Rotary's culture of invitation and fellowship.

At left are, l-r: Lee Troutwine, Barry Holder Jr., Barry Holder Sr., Miranda Marston

Perfect Attendance

Congratulations to Barry Holder, Jr. for receiving his 41 years Perfect Attendance pin.

WORLD IMMUNIZATION WEEK 24-30 APRIL

Rotary and our partners commemorate World Immunization Week, 24-30 April every year, to raise awareness of the importance of vaccination and highlight the success of our polio eradication efforts.

As an organization that is committed to eradicating polio as well as to fighting disease and improving maternal and child health, Rotary recognizes World Immunization Week as an ideal opportunity for Rotary and Rotaract clubs to engage in these kinds of activities:

- Invite a local health care worker to speak at your club about the importance of vaccinations.

- Host an event in your community to raise funds for PolioPlus and educate people about Rotary’s work toward eradicating polio.
- Partner with local Interact clubs or schools on a campaign to raise awareness about polio and other vaccine-preventable diseases.

The progress that Rotary and our partners have made toward eradicating polio is a success story that is important to tell, especially during this final effort to reach our goal. Our members are our greatest advocates and supporters, and we need your help more than ever to share our story with your communities.
